## SCENE GUIDE: ACT I

**DIRECTIONS:** For each act, you will be completing a Scene Guide to help you understand and follow the important elements of your reading. For each scene, complete each section fully. Use short phrases or words to keep your note-taking short and succinct. The chart below will assist you in completing the activity. The Act One Prologue has been completed for you as an example.

<b>Characters</b>	In this section, list the major characters who are a part of the action. It is not necessary to list minor characters who are not involved in the plot.
<b>Action</b>	In this section, list the important action that takes place in the scene.
<b>Problem or Solution?</b>	Ask yourself whether this scene raises a problem or provides a solution to a previous problem. Almost all scenes will work in this way, either bringing up a problem, or proposing a solution to some earlier problem. Sometimes, problem after problem is presented without a solution until the very end.
<b>How or Why?</b>	In this section, explain how or why you answered <b>problem or solution</b> . What issues are raised? Are some problems solved, and others still an issue? Explain your choice here.

### PROLOGUE

<b>Characters</b>	Chorus
<b>Action</b>	The Chorus tells the audience about two enemies who have been fighting for years, a pair of lovers who are doomed, and how their deaths will be the only thing that will end the fighting between the two families.
<b>Problem or Solution?</b>	Problem
<b>How or Why?</b>	The Chorus presents us with the entire plot of the play, letting us know from the start that the story is a tragedy and will not end well. The play begins with the problem being presented—lovers who have to die to bring peace. Now the audience will see how the story actually unfolds.
