 author of The Functional Fire Company says the functional fire company concept was not created but realized I realized after
 many attempts at trying to view success in the organization from the top down that it wasn't possible Real indicators of
 success in the fire service come from the bottom up A fire department's success is best judged at the company level Many
 leaders and senior members have been taught the how but not the why and they don't understand the reasons for doing what
 they do Thompson says Because firefighting is such a technical activity we must ensure that we are explaining why we do
 things while we demonstrate the how It is essential that we develop critical thinking for solving fire suppression rescue and
 EMS problems WHAT OTHERS ARE SAYING Chief Scott Thompson combines his decades of experience and years of
 observation with today's leadership skills and provides a path for the successful fire department to follow The Functional Fire
 Company will take you step by step from being an ordinary fire department to one which defines excellence Rick Lasky Fire
 Chief ret Texas I found both motivation and a guide to implementation in this book Chief Thompson has provided a deep
 resource for all ranks from creating culture to setting up training structure I highly recommend this book to anyone with
 aspirations of making an organizational impact Brian Brush Chief Thompson has spent his entire career focusing on training
 and organizational effectiveness The Functional Fire Company is his life's work wrapped up into a playbook which offers
 insight into how to make your organization perform at maximum proficiency Experience perspective and a never quit
 mentality are evident as Chief Thompson provides a unique view to solving problems in the modern day fire service Terry
 McGrath Assistant Chief Lewisville TX Fire Department This book offers a living breathing example that Chief Thompson's
 principles truly work I hope you get as much value from this book as we have received from Chief Thompson's lessons and
 that you take what you learn back to your organization Garrett Rice The Colony Fire Department TX Battalion Chief A Shift

leadership framework The essential finding is that the basic principles are complementary and that a clear focus on people and their needs is the most effective way to lead
