

1	Doctor	Dialogue Hello, Juliana. How are you feeling today?	Interpretation Hola, Juliana. ¿Cómo se siente hoy?
	Patient	Hola, doctor. He estado mejor. Llevo dos semanas con problemas de los senos paranasales.	Hi, doctor. I've been better. I've had sinus problems for two weeks.
2	Doctor	I'm sorry to hear that. Can you tell me more about your symptoms?	Cuánto lo siento. ¿Puede decirme más acerca de sus síntomas?
	Patient	Por supuesto. La congestión va y viene a lo largo del día. A veces me despierto sangrando por la nariz. He tenido unos dolores de cabeza terribles.	Sure. I have congestion on and off throughout the day. Sometimes I wake up with a bloody nose. And I've been getting terrible headaches.
3	Doctor	How often do you experience headaches?	¿Con qué frecuencia ha estado experimentado dolores de cabeza?
	Patient	Por lo menos una vez al día. A veces el dolor se centra en el área de los senos paranasales, y entonces me duele toda la cara. Eso realmente está afectando mi capacidad para trabajar.	At least once a day. Sometimes the headache is focused around my sinus area, and then my whole face hurts. It's really affecting my ability to work.
4	Doctor	That sounds miserable, Juliana. Have you been taking any over-the-counter medication to treat the congestion or the headaches?	Eso suena terrible, Juliana. ¿Ha tomado algún medicamento sin receta medica para tratar la congestión o los dolores de cabeza?
	Patient	Bueno, es que eso es parte del problema. Estaba usando un descongestionante nasal de venta libre, pero en el envase decía que no lo usara más de cinco días. Así que tuve que dejarlo.	Well, that's part of the problem. I was taking an over-the-counter nasal decongestant, but the package said not to use it for more than five days. So, I had to stop.
5	Doctor	Yes, most of the decongestants come with that warning. They can worsen congestion if used too long.	Sí, la mayoría de los descongestionantes incluyen esa advertencia. La congestión puede empeorar si se usan por demasiado tiempo.
	Patient	Exacto. Así que ahora tomo ibuprofeno para los dolores de cabeza, pero sigo teniendo dificultades para acabar el día de trabajo.	Right. So now I just use ibuprofen for the headaches, but I still have a hard time getting through the work day.
6	Doctor	It sounds like you're dealing with a sinus infection. I'll check your nose and throat to be sure. Would you be open to taking a prescription antibiotic for 7 days?	Me parece que está lidiando con una infección sinusal. Voy a revisarle la nariz y la garganta para estar seguros. ¿Estaría dispuesta tomar una receta de antibióticos por 7 días?
	Patient	No tengo ningún problema. Tomaré cualquier cosa que me haga volver a la normalidad.	I have no problem with that. I'll take anything that'll get me back to normal.

## **Sample Interpreter Test And Answers:**

*Assessing legal interpreter quality through testing and certification: The Qualitas Project* Cynthia Giambruno, 2014  
Respect for the procedural rights of any individual involved in police or judicial matters is a basic tenet of a modern and sound system of justice Providing legal interpreting services to suspects defendants victims and witnesses who are not proficient in the language in which legal matters are being conducted is a broadly accepted practice throughout the EU However it is only recently that emphasis has been placed on the quality of the services provided EU Directive 2010 64 EU through its mandate for quality in legal interpreter and translating services has provided the impetus needed to reexamine current practices and work towards common standards and practices across the EU that would enhance mutual trust and allow for reciprocity and the sharing of expertise This volume reflects the deliberations of a panel of experts from the fields of legal interpreting testing theory and public policy who agree that the most effective means of ensuring quality is through testing and certification It addresses issues related to the assessment of the skill sets and knowledge required to ensure high quality legal interpreting and offers practical guidance and advice on the design and administration of a valid and reliable certification process *The Interpreter*, 1923 *Research Methods in Interpreting* Sandra Hale, Jemina Napier, 2013-09-12 This is the first book to deliver a comprehensive guide to research methods in all types of interpreting It brings together the expertise of two world recognized scholars in spoken and signed language interpreting to cover the full scope of the discipline It features questions prompts and exercises throughout to highlight key concepts provoke thought and encourage reader interaction It deals fully with research in both conference and community interpreting offering a variety of perspectives on both Core areas such as reading and analyzing research literature practical issues in research and producing research reports are all covered This book is an indispensable tool for students and researchers of Interpreting as well as professionals and interpreter trainers *Master the U.S. Border Patrol Exam: Two Practice Tests* Peterson's, 2011-03-01 Part IV Peterson's Master the U S Border Patrol Exam Two Practice Tests offers two full length U S Border Patrol Exams which contain questions modeled after U S Custom and Border Protection sample tests The practice test provides questions and answer explanations from the Logical Reasoning Test the Spanish Language Proficiency Test and the Artificial Language Test ALT Peterson's guide will provide you with everything you need to navigate the Border Patrol screening process and score high on the U S Border Patrol Exam For more information see Peterson's Master the U S Border Patrol Exam *Test Interpreter's Handbook*, 1989 Pennsylvania. Office of Basic Education. Division of Educational Testing and Evaluation, 1989

## **Educational Tests and Measurements** Walter Scott Monroe, James Clarence De Voss, Frederick James Kelly, 1924

*The Education of d/Deaf and Hard of Hearing Children* Peter V. Paul, 2020-02-12 A significant number of d/Deaf and hard of hearing d/Dhh children and adolescents experience challenges in acquiring a functional level of English language and literacy skills in the United States and elsewhere To provide an understanding of this issue this book explores the theoretical

underpinnings and synthesizes major research findings It also covers critical controversial areas such as the use of assistive hearing devices language and literacy assessments and inclusion Although the targeted population is children and adolescents who are d Dhh contributors found it necessary to apply our understanding of the development of English in other populations of struggling readers and writers such as children with language or literacy disabilities and those for whom English is not the home language Collectively this information should assist scholars in conducting further research and enable educators to develop general instructional guidelines and strategies to improve the language and literacy levels of d Dhh students It is clear that there is not a one size fits all concept but rather research and instruction should be differentiated to meet the needs of d Dhh students It is our hope that this book stimulates further theorizing and research and most importantly offers evidence and reason based practices for improving language and literacy abilities of d Dhh students

**Working with Interpreters and Translators** Henriette W. Langdon, Terry Irvine Saenz, 2015-10-15 Working with Interpreters and Translators A Guide for Speech Language Pathologists and Audiologists offers state of the art procedures to conduct interviews assessments and conferences with students with limited English language proficiency and their families As no research base is available in the field of communicative disorders on this specific topic the information presented in this guide is supported by a critical review of the literature on best practices in interpreting for international conferences and legal and medical fields Furthermore the authors experience working with language interpreters and training professionals as well as graduate students in communicative disorders makes this a very valuable resource for professionals interpreters translators as well as undergraduate and graduate students Federal and state laws specify that if necessary English language learners ELL need to be assessed in their native language when referred for possible special education The number of ELL students attending public schools across the nation has increased in the past few decades There are not enough speech language pathologists SLPs or audiologists who are proficient in the various languages spoken by ELL students even in Spanish the most common language spoken by ELL students in the United States The next best solution is to conduct assessments in collaboration with a trained interpreter translator Key features include Information and references for the most common languages spoken by ELL students Discussion of culturally based variables that need to be considered in the process of interviewing and working with linguistically and culturally diverse populations Description of the roles and responsibilities for individuals who will be collaborating as interpreters and translators with SLPs and audiologists in various contexts such as interviews assessments and various meetings such as IEPs and IFSPs as well as suggestions on training individuals in this collaborative process Review of best practices in speech language and audiological assessments both with and without materials in the given language Disclaimer Please note that ancillary content such documents audio and video may not be included as published in the original print version of this book Working with Interpreters and Translators A Guide for Speech Language Pathologists and Audiologists is a must have reference for anyone working with

ELL students Although the process was developed with the pediatric population in mind much of this information can be applied to older culturally and linguistically diverse populations in need of speech language and or hearing services It will also be useful to professionals working with language interpreters in allied health professions in other countries

*Interpreting the MMPI-2-RF* Yossef S. Ben-Porath, Detailed and practical instruction for interpreting the newly published MMPI 2 RF *APRO Technical Research Note* United States.
