Demonstrating "E-E-A-T"

Do not write strictly for SEO/keyword purposes. Write high-quality "helpful content" that demonstrates "E-E-A-T"

- **Experience:** Demonstrate your personal first-hand knowledge and experience. Google wants you to demonstrate how you've learned what you know.
- **Expertise:** Google wants you to demonstrate that you have the "necessary knowledge or skill" to be an expert on your topic.
- **Authoritativeness:** You must demonstrate who wrote the content and why that person is knowledgeable (define your on-page and a link to the author's bio).
