Social work career involves working with diverse population. Cultural pluralism culture concept is one that emphasizes on the respect for diversity of heritages, lifestyles, values and customs. This paper will focus on my experiences and exposure to individuals from different populations. It is going to enumerate my personal qualities in expressing myself to be sensitive to people with values that are different from mine. Further, the paper will also showcase the manner in which life experiences influence my values, beliefs and feelings with variables such as; Ethnicity (culture, race), spiritual tradition that is different from those of mine like economic status, age, social status and sexual orientation. Lastly, the paper will also describe the ethical dilemma I have experience in the process of decision making and factor that have contributed to the ultimate outcome.

Ghana is a nation that has diverse ethnic groups and communities. Its population of over 24 million people and 70 diverse ethnic groups. As a Ghanaian, the nature of the country which is multicultural has broadened my scope n different people as well as their perceptions, which are different from mine. For example, while working with World Visions Ghana and the Ghana Broadcasting Corporation, I was able to develop ability to use and acquire values, skills and knowledge in ways that make diversity such a competent practice. I more so developed a system of feeling, acting and thinking that opens the door so I can actively seek knowledge, develop values consistent in addressing issues of sensitive nature and integrate new ideas that at times, are uncomfortable. I have also learned to be a true professional by giving up my comfort place, risking to reach out and learn things I do not know.

What is more, I have acquired ability to solve and work out people's problems. Solving the problems of people involves learning how to acquire knowledge in a couple of ways. What is more, it also entails

Writing and Identity Roz Ivani?, 1998-03-15 Writing is not just about conveying content but also about the representation of self One of the reasons people find writing difficult is that they do not feel comfortable with the me they are portraying in their writing Academic writing in particular often poses a conflict of identity for students in higher education because the self which is inscribed in academic discourse feels alien to them The main claim of this book is that writing is an act of identity in which people align themselves with socio culturally shaped subject positions and thereby play their part in reproducing or challenging dominant practices and discourses and the values beliefs and interests which they embody The first part of the book reviews recent understandings of social identity of the discursive construction of identity of literacy and identity and of issues of identity in research on academic writing The main part of the book is based on a collaborative research project about writing and identity with mature age students providing a case study of one writer's dilemmas over the presentation of self a discussion of the way in which writers' life histories shape their presentation of self in writing an interview based study of issues of ownership and of accommodation and resistance to conventions for the presentation of self linguistic analysis of the ways in which multiple often contradictory interests values beliefs and practices are inscribed in discourse conventions which set up a range of possibilities for selfhood for writers The book ends with implications of the study for research on writing and identity and for the learning and teaching of academic writing The book will be of interest to students and researchers in the fields of social identity literacy discourse analysis rhetoric and composition studies and to all those concerned to understand what is involved in academic writing in order to provide wider access to higher education

Blind Joe Death's America George Henderson, 2021-03-19 For over sixty years American guitarist John Fahey 1939-2001 has been a storied figure first within the folk and blues revival of the long 1960s later for fans of alternative music Mythologizing himself as Blind Joe Death Fahey crudely parodied white middle class fascination with African American blues including his own In this book George Henderson mines Fahey's parallel careers as essayist notorious liner note stylist musicologist and

fabulist for the first time These vocations inspired originally by Cold War educators injunction to creatively express rather than suppress feelings took utterly idiosyncratic and prescient turns Fahey voraciously consumed ideas in the classroom the counterculture the civil rights struggle the new left through his study of philosophy folklore African American blues and through his experience with psychoanalysis and southern paternalism From these he produced a profoundly and unexpectedly refracted vision of America To read Fahey is to vicariously experience devastating critical energies and self soothing uncertainty passions emerging from a singular location the place where lone white rebel sentiment must regard the rebellion of others Henderson shows the nuance contradictions and sometimes brilliance of Fahey s words that though they were never sung to a tune accompanied his music
