101 Sample Write-Ups for Documenting Employee Performance Problems Paul Falcone, 2010-03-24 Whether you're addressing an initial infraction or handling termination-worthy transgressions, you need to be 100 percent confident that every employee encounter is clear, fair, and most importantly, legal. Thankfully, HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and say. Revised to reflect the latest developments in employment law, the third edition of *101 Sample Write-Ups for Documenting Employee Performance Problems* includes expertly crafted, easily customizable write-ups that address sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse, and more. With each sample document also including a performance improvement plan, outcomes and consequences, and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues. *Pass It On* Jim Burns, Jeremy Lee, 2015-09-01 Parents often experience a "freak out" moment when they realize their children's view of God will primarily come from what they learn at home. Most parents spend more time helping their kids succeed at academics or athletics than infusing shared spiritual experiences into the rhythm of everyday family life. While the idea of strategically passing down our faith can seem intimidating, the annual Rites of Passage Experiences contained in *Pass It On* make it easy for your family to celebrate milestones from kindergarten through high school graduation. Forever change the direction of your family's spiritual legacy starting now. *Get Paid for Your Services*, 1998 **Wiley Practitioner's Guide to GAAS 2023** Joanne M.
