

A Prayer for Graduation

Heavenly Father,

Give grace and courage to the ones who have worked hard and now greet this special time of graduation.

We thank you for protecting and guiding them to this point. All praise and glory to You!

Inspire the graduates to put to good use all the knowledge, skills and life lessons gained through their education.

Most importantly, as they face unknown challenges moving on, help them to keep dear the greatest wisdom of all -that of knowing Jesus and the power of the Cross!

A chapter has closed and another eagerly awaits. Pave their road with opportunities and inspire them to live with hope in this incredible journey called life.

Continue to bless the graduates with love, protection, mercy, strength and wisdom.

May they live passionately to honor and glorify Your name. In Jesus' name, Amen.

Please Don't Wish Me a Merry Christmas Stephen M Feldman, 2023-11-21 Whether in the form of Christmas trees in town squares or prayer in school fierce disputes over the separation of church and state have long bedeviled this country Both decried and celebrated this principle is considered by many for right or wrong a defining aspect of American national identity Nearly all discussions regarding the role of religion in American life build on two dominant assumptions first the separation of church and state is a constitutional principle that promotes democracy and equally protects the religious freedom of all Americans especially religious outgroups and second this principle emerges as a uniquely American contribution to political theory In *Please Don't Wish Me a Merry Christmas* Stephen M Feldman challenges both these assumptions He argues that the separation of church and state primarily manifests and reinforces Christian domination in American society Furthermore Feldman reveals that the separation of church and state did not first arise in the United States Rather it has slowly evolved as a political and religious development through western history beginning with the initial appearance of Christianity as it contentiously separated from Judaism In tracing the historical roots

of the separation of church and state within the Western world Feldman begins with the Roman Empire and names Augustine as the first political theorist to suggest the idea Feldman next examines how the roles of church and state variously merged and divided throughout history during the Crusades the Italian Renaissance the Protestant Reformation the British Civil War and Restoration the early North American colonies nineteenth century America and up to the present day In challenging the dominant story of the separation of church and state Feldman interprets the development of Christian social power vis vis the state and religious minorities particularly the prototypical religious outgroup Jews *Persecution* David
