RE: Brittany MacLeod for Chief Funster

Dear Mr. Gray:

I heartily endorse Brittany MacLeod for Chief Funster. She is clearly the best person in the world for this job. I have known Brittany for many years and had the pleasure of working with her on the Franklin School Committee when I was the Chairman and she was the Student Representative. She was a student leader who certainly brought the element of fun to the meetings. She was (and continues to be) a great ambassador for our school system and I am delighted to see that she is now bringing her talent to the world stage.

I have followed her campaign from the beginning and have enjoyed her posts, videos, and tweets. They demonstrate clear commitment and drive, traits that we saw early on in Massachusetts. She would be a true asset and great advocate for your organization. I urge you to bring her to Australia to see in person her energy, enthusiasm, and dedication. We would certainly give her a big send-off from the State House in Massachusetts! Please let me know if I can provide you with any additional information.

Very truly yours,

Jeffrey N. Roy

of historians classicists and scholars of religion this volume provides the first comprehensive overview of the extant Greek and Latin letter collections of late antiquity ca 300 600 c e Each chapter addresses a major collection of Greek or Latin literary letters introducing the social and textual histories of each collection and examining its assembly publication and transmission Contributions also reveal how collections operated as discrete literary genres with their own conventions and self presentational agendas This book will fundamentally change how people both read these texts and use letters to reconstruct the social history of the fourth fifth and sixth centuries

Technical College Responsiveness Michael Cosser, 2003 This text analyses how technical colleges have responded to the emerging field of further education and training FET in South Africa The data and theories presented are the result of research conducted by the Human Sciences Research Council including surveys of technical college graduates and employers on their satisfaction with college graduates and institutional profiles of local labor markets The international case studies of vocational and technical education demonstrate the interrelatedness of education and training systems

The Century Dictionary Supplement, 1909 *American Lawn Tennis*, 1924 **Presbyterian Banner**, 1902 *A Commentary on PHILIPPIANS* David Pawson, 2017-11-07 This church was not suffering from doctrinal error so Paul did not come with a heavy hand He did not have to rebuke someone strongly as at Corinth The only problem he was concerned about with this church with which he had such a lovely relationship was their unity

The Spice Mill, 1922 Betraying the NHS Michael Mandelstam, 2007 Based on his experiences of helping to fight cuts and closures in Suffolk Michael Mandelstam delivers a damning verdict on the mismanagement of the NHS at national regional and local level He charts the widespread cutbacks and closures both rural and urban to clinics A E services beds wards and scores of community hospitals He outlines how humane care particularly for older people is compromised by the ruthless determination of NHS management to increase patient throughput and hit government set targets The author highlights how the chaotic change to the NHS is being driven by concealed agendas including privatisation of the NHS obsessive interference from central government as well as selective use if not abandonment of evidence based practice Seriously flawed and damaging decisions are the result affecting the population at large as well as those most vulnerable older people with chronic and complex needs people with physical or learning disabilities and people with mental health problems Above all he exposes the scandalous lack of transparency and accountability behind changes that threaten to destroy the NHS
