Real Help for the Toughest Talks Most parents dread talking about sex with their children. Anne Marie Miller loves giving the talk. As she has shared her personal story and talked about God's gift of sex with almost half a million young people, she's noticed some disturbing patterns. Google is how kids learn about sex. Kids are learning about sex and viewing pornography earlier than parents think. The sexually abused often don't tell anyone for fear of getting in trouble. Sexual messages are being consumed daily through mainstream and social media. Most parents think their child is the exception. Instead of sweeping this topic under the rug, Miller wants to change the narrative. In this immensely practical and well researched book, she equips parents to have meaningful and age appropriate conversations with their children about sex, pornography, and sexual abuse. She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears, struggles, and mistakes. Most important, she offers hope to worried parents that their children can grow up with a healthy biblical view of sex as a gift from God. **The Modern Parent's Guide to Kids and Video Games** Scott Steinberg, 2012-02-01

Nearly 40 years after their invention and a decade after exploding onto the mainstream, video games still remain a mystery to many parents, including which titles are appropriate and their potential side effects on kids. Now the answers are at your fingertips. Offering unrivaled insight and practical, real world strategies for making gaming a positive part of family life, *The Modern Parent's Guide to Kids and Video Games* provides a vital resource for today's parent. From picking the right software to promoting online safety, setting limits, and enforcing house rules, it offers indispensable hints, tips, and how-to guides for fostering healthy play and development. Includes Complete Guides to PC, Console, Mobile, Online, Social Games, Using Parental Controls, and Game Ratings. Picking the Right Games, The Latest on Violence, Addiction, Online Safety, Setting Rules, Time Limits, Best Games for All Ages, Essential Tools, Resources. An essential guide for parents.
