Claim:
There are different aquatic systems with diverse organisms.

Evidence	Reasoning/Justification
Aquatic ecosystems have abiotic - temp, light, salinity, depth	Different organisms can tolerate different factors
Some organisms prefer fresh water vs. saltwater. Bull sharks + manatees tolerate both	Bull sharks and manatees are very different, but tolerate same conditions
Depth reduces light and increases pressure. Organisms deal with this differently.	Many types of adaptations exist to survive in these conditions
The geography of an aquatic environment can determine the life forms present.	Continental shelf gets lots of light, so there's many living things. Not so in the abyss.
Photosynthesis takes place in the neritic zone.	It is the most productive area of the ocean. Plankton are base of food chain.
Metabolism is affected by temp. Many species are cold-blooded.	Organisms can migrate or must have adaptations to survive.

Practical Guide to Mergers, Acquisitions and Business Sales Joseph B. Darby, 2006 Buying and selling a business is a challenging process It involves rituals and interactions that are sometimes eerily similar to the courtship dynamic between a human couple While many business courtships end in an economic marriage plenty of others fail and for a variety of reasons Many unsuccessful business negotiations could have made sense but ultimately floundered because negotiations went badly awry at some crucial point CCH's brand new Practical Guide to Mergers Acquisitions and Business Sales by seasoned business transaction attorney and author Joseph B Darby III J D not only explains the tax aspects of buying and selling a business but examines the special art of closing major business transactions successfully through an understanding of the tax consequences of the deal There also are two other parties with a major economic stake in a business merger acquisition or sale the federal government and usually at least one state government The role of a tax adviser on an business acquisition transaction is to make everyone aware that there are two silent partners in the room at all times and that the Buyer and Seller have a common interest in cutting the silent partners out of the deal or reducing their take The purpose and mission of Practical Guide to Mergers Acquisitions and Business Sales is to teach practitioners and business stakeholders how to pare the tax costs of transactions to the absolute minimum within the boundaries of ethical and appropriate tax reporting Publisher's website
