*Modern British and Irish Criticism and Theory* Julian Wolfreys, 2006-04-21

*Modern British and Irish Criticism and Theory* offers the student and general reader a comprehensive, critically informed overview of the development of literary and cultural studies from the nineteenth century to the present day. Beginning with Coleridge and Arnold, examining the contribution of cultural commentators and novelists and considering the institutionalisation of literary criticism in the universities of England, Ireland, Scotland, and Wales, the book addresses in detailed, accessible, and rigorous essays the rise and significance of literary and cultural studies. Nearly thirty essays contribute to an understanding of the practice of literary studies, presenting the reader with a perceptive series of critical interventions which themselves engage in the very locations from which criticism and theory have emerged. A further reading list accompanies each chapter.

Greater Atlanta Derek C. Maus, James J. Donahue, 2024-04-23

Contributions by GerShun Avilez, Lola Boorman, Thomas Britt, John Brooks, Phillip James Martinez, Cortes Derek DiMatteo, Tikenya Foster, Singletary Alexandra, Glavanakova Erica, Brittany Horhn, Matthias Klestil, Abigail Jinju Lee, Derek C. Maus, Danielle Fuentes, Morgan Derek Conrad, Murray Kinohi, Nishikawa Sarah, O'Brien Keyana, Parks and Emily Ruth Rutter. The seventeen essays in *Greater Atlanta: Black Satire after Obama* collectively argue that in the years after the widespread hopefulness surrounding Barack Obama's election as president waned, Black satire began to reveal a profound shift in US culture. Using the four seasons of the FX television show *Atlanta* (2016-22) as a springboard, the collection examines more than a dozen novels, films, and television shows that together reveal the ways in which Black satire has developed in response to contemporary cultural dynamics. Contributors reveal increased scorn toward self-proclaimed allies in the existential struggle still facing African Americans today. Having started its production within a few weeks of Donald Trump's infamous escalator ride in 2015, *Atlanta* in many ways is the perfect commentary on the absurdities of the contemporary cultural moment. The series exemplifies a significant development in contemporary Black satire which largely eschews expectations of reform and instead offers an exasperated self-affirmation that echoes the declaration that Black Lives Matter. Given anti-Black racism's lengthy history, overt stimuli for outrage have predictably commanded African American satirists' attention through the years. However, more recent works emphasize the willful ignorance underlying that history. As the volume shows, this has led to the exposure of performative allyship, virtue signaling, slacktivism, and other duplicitous forms of purported support as empty, oblivious gestures that ultimately harm African Americans as grievously as unconcealed bigotry.
