He's Been Faithful Carol Cymbala, 2011-01-04 Carol Cymbala's ministry in a tough inner city neighborhood in New York can be summed up in one word unlikely She is the director and songwriter for a Grammy Award winning choir yet she doesn't read music She is the pastor's wife in a 6 000 member congregation filled with people of color and she is white A shy girl who struggled to get through school she is the last person you'd expect to stand before a packed house at Radio City Music Hall confidently directing The Brooklyn Tabernacle Choir But Carol's God is the God of the unlikely He's Been Faithful tells the story of the way God works despite or maybe because of our many inadequacies Because of how God has worked in her own life and in The Brooklyn Tabernacle and its world famous choir she knows how crucial it is to remember our desperate need for God But Carol's faith hasn't always come easily There have been times of wavering and challenge like the time a man walked down the aisle of the church pointing a gun at her husband Jim Or like the time she was assaulted outside the church Or like the time she wanted to pack

up her children and run away from the city for good because of what was happening to her family He s Been Faithful is an honest story about the struggles we all face and the power of God to help us It is told through Carol s eyes as well as through the eyes of various members of The Brooklyn Tabernacle Choir who have experienced the grace of Christ in remarkable ways Through them we learn that our longings for God will never be satisfied by worship that is showy or performance based Instead God we will meet us when we come to him simply seeking his glory rather than ours telling him and the world around us about the great things he has done Whether you are a pastor a choir director or someone who is seeking a deeper experience of God He s Been Faithful will renew your faith and increase your understanding that only Jesus can fill that deep deep longing we all have for something more in life

God Hasn't Forgotten You Robert J. Morgan, 2025-09-09 Through the story of Zechariah and Elizabeth we are reminded that God remembers us and keeps His promises Robert Morgan dives deep into Scripture around the birth of the Messiah and helps us discover the glorious victorious life that awaits us in Christ The story of Zechariah and Elizabeth is often overlooked in the story of Christmas as people jump right to Luke chapter 2 glossing over the importance of this elderly couple s story The angel Gabriel announced to them that they would bear a son John who would prepare the way for the Lord Jesus They were the original heroes faithfully serving the Lord and studying His Hebrew Scriptures every day when God burst into their lives and gave them the opportunity to set into motion the events triggering the first coming of Christ God has been planning something special for you for a long time Maybe it feels as long as those 400 years between the Old and New Testaments and you ve grown weary of waiting for a Word from the Lord Are you discouraged Have you given up hope As you examine closely the amazing story in Luke chapter 1 you will discover 24 God lessons that will impact your life including how God appointed you for this very time God works grace into your grief God wants to use you whatever your age God can eradicate fear from your heart and God desire your help in raising up a new generation to serve him God intends to give you Spirit filled life and a Christ centered victory He intends to use your preordained personality for His preordered purposes Zechariah and Elizabeth want to tell us that God delights in sneaking up on His children with blessings unforeseen with grace from above so that we can experience a glorious victorious life through Jesus

My Lord and My God Annie Ngana-Mundeke Ph.D., 2016-11-30 My Lord and my God addresses the challenging issue of Christs Deity The Lord Jesus Christ came to earth to minister among His people and He was called Emmanuel God with us The Angel told Joseph to name the child his wife Mary was about to have the name of Jesus which means the Savior Who would save His people from sins She will give birth to a son and you are to give him the name Jesus because he will save his people from their sins Matthew 1 21 Elsewhere in the Scriptures we read that the Lord Jesus is called Emmanuel which means God with us All this took place to fulfill what the Lord had said through the prophet The virgin will conceive and give birth to a son and they will call him Immanuel which means God with us Matthew 1 22 23 The Lord Jesus is called Mighty God in the Book of Isaiah For to us a child is born to us a son is given and the government will be on his shoulders And he

will be called Wonderful Counselor Mighty God Everlasting Father Prince of Peace 9 6 These names clearly indicate that the Lord Jesus Christ is God our Creator Yet many people question Christs Deity despite the meaning of His names Emmanuel God with us Jesus the Savior Many people still doubt the Deity of the Lord Jesus Christ despite the Lords Claim about Himself I and the Father are one John 10 30 Scriptures teach that there is Only One God The disciples of the Lord Jesus Christ worshipped Him and they called Him Lord For example Thomas fell at the Lords Feet and stated My LORD and My God Simon Peter called Him the Messiah Matthew 16 15 During His earthly ministry the Lord Jesus asked His disciples But what about you He asked Who do you say I am Matthew 16 15 The disciples gave various answers which were not correct with the exception of Simon Peter who answered the Messiah as we read in Scriptures the inspired Word of God Simon Peter answered You are the Messiah the Son of the living God Matthew 16 15 *A Dissertation on the Being and Attributes of God* T. Filoteo, 2019-12-09 This book has two main objectives the first is to show practical ways to save more of the money you earn by claiming your legal right to the tax deductions and the tax credits And as a believer you have the right to claim His promises in the Bible every bit as much as you have the right to claim those deductions and tax credits in the Tax Code Definitely not a one time read Take this book with you every where you go Lots of people today see God as just a mere slice of the pie not the whole pie For many God is just a department in the school of life Quite the reverse view of GOD s Kingdom So this book points out the real ONE as being in charge Talk to Him and write your journals just like keeping the books of the whole Chart of Accounts Without Him this General Ledger will never be balanced The P L will always be on the red See inside the process flowchart of the way to gain the benefits as a BELIEVER The God Tribe of Shabazz - The True History Elijah Muhammad, Nasir Makr Hakim, 2012-03-17 The history of the God Tribe of Shabazz is one of the most elusive subjects of the Supreme Wisdom as taught by Messenger Elijah Muhammad partly because it is spread out over so

much time on so many lectures and in so many different articles The Tribe of Shabazz is not simply the offspring of a group of people who were the product of a disgruntled scientist who went into Africa to prove that He could make a people that could withstand anything but a continuum of a vein of expression characteristic of how we as black people who when in our natural mind did things that were still superior to the best minds of mankind today We are so far from what is actually natural for the Blackman that we think that the trial and error mode of operating of this civilization today is brilliance when in fact the incidental actions of the Original Blackman is considered SUPERNATURAL by today's standards The Messenger of Allah Elijah Muhammad delves so far into the most profound depths of wisdom when sharing with us what our God in person Master Fard Muhammad had revealed it makes you wonder about who is out there dormant and simply waiting to hear that particular word sentence paragraph or perspective that will make the light in or above their heads illuminate with Allah's voice communicating with them In other words it's not necessary to be mining Facebook Twitter or Google etc for revelation It's being handed to you here
