Godly Mothers' and Grandmothers' Bible Storytime for Kids! Gerard Assey,2020-09-28 We love to give gifts to our children and if you are a grandparent then you know how delighted it makes you feel But the greatest and

most lasting gift we can give to them is to be an example of Godliness by aligning faith into this future bloodline or legacy. The material things we leave our children are temporary; however, our legacy of imprinting His Word into their hearts and being the right Godly examples can make a significant impact on them for a lifetime and the generations that follow. And this is the greatest blessing and joy that will come as we see this come to pass in their lives. Nowhere in the Bible does it say that the church is the key or has the responsibility to pass on faith to the next generation. In fact, on the contrary, it makes it very clear that parents and grandparents are the principal conduit to train and instruct their children about God and His love for them. God's instruction manual on bringing up children is very clear in Deuteronomy 6:5-7. According to God's word, God wants parents and grandparents to focus on passing on a godly legacy to the future generations. So this book titled *Godly Mothers and Grandmothers Bible Storytime for Kids* will help achieve this objective of leaving a part of the legacy that you are passing on through these precious kids to help build a faith line of future generations. Children's children are a crown to the aged, and parents are the pride of their children (Proverbs 17:6).

In the Eyes of a Pastor's Wife Pastor Katherine Aguirre, 2019-03-01. Women throughout history have always carried heavy burdens. Most have been seen as weak vessels. However, women were created with a purpose. God loved them. He saw a need and formed them to fulfill it. Eve was handwoven to be Adam's helper. Throughout the years, many women in ministry have lost themselves. Many have lost the light in their eyes. Many have submitted to bitterness and depression. *In the Eyes of a Pastor's Wife* is Pastor Katherine Aguirre's story. She had a desire to reach women that are suffering in silence. Women in ministry, especially pastors' wives, see the unimaginable and deal with the unbelievable. Behind closed doors, pastoral families face the realities of ministry. The weight of it can be heavy. No one can truly understand what it took for women to get to the place where God intended for them to be. Pastor Katherine takes you on a journey through her life, hoping to inspire and encourage. May your life be touched as you read the divine transformation God did in her life.

Creative Bible Lessons in Genesis Hoon Kim, 2009-05-26. *Creative Bible Lessons in Genesis* follows the work previously done with other studies in the series. What makes this volume different is that it is sensitive to the influence of postmodernism on today's culture and values; it complements the widespread use of multimedia and is experiential in approach. With a desire to be relevant, it does not scan Scripture but intends to be scripturally thorough and accurate with an understanding that the power of the studies is ultimately found in the biblical text. Because much of what is understood to be truth today is arrived at by subjective interpretation, there is a strong but subtle element in the studies that highlights the Imago Dei (image of God in man). The blueprint of the Trinitarian God in man is perhaps the sturdiest bridge between postmodern experientialism and ultimate truth and reality. In order to emphasize these elements, Bible studies include projection games, helps, and visuals. Also, many of the studies are highlighted by a participation which attempts to be close to the text account. There are small group and large group elements that have been developed with the technologically savvy student in mind. *Creative Bible Lessons in Genesis* follows the lives of various individuals in

Genesis In a world where communication is less face to face and more screen to screen family breakdowns are the norm rather than the exception and role models often communicate debatable values an anchor for life can only be found in the God who does not change Human nature can only be satisfactorily understood through the image of God in man and that all behavior desires and actions people take are ultimate acts of worship and desire for God The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform as well as from a subjective emotional experiential platform *She Rises Late and Her Kids Make Her Breakfast* Kerri Pomarolli,2019-11-05 Make Time for God and Ice Cream Want a deeper relationship with God but with the clock constantly ticking down the rounds you can't seem to find the time Kerri Pomarolli a comedian and mom living life in LA knows all about the never ending search for more time For time crunched women longing for God Kerri offers Devotions for the Proverbs 32 Woman You will laugh and perhaps cry your way closer to the Savior through these 90 meditations In her down to earth style Kerri will teach you how to face mean girls navigate social media and stress eat ice cream with a fork all while learning to put the Lord at the center of all you do **Metamorphyx** Thomas Schuler,2019-04-26 You won't find Metamorphyx in any dictionary It's a brand new word introduced by Schuler that captures the essence of how embracing life experience and life change drives us to discover compelling life purpose Calling on personal life and death trials bitter failures and stunning reversals in life Tom doggedly pursues the meaning of life and the demands of life change Painted with a relentless quest for biblical truth and the wisdom of iconic Christian writers the author produces a narrative packed with present day life application punch and authenticity Brace for Tom's uncompromising transparency candor and wit as he takes the reader into the highly personal front line battles of life that shape our character renew one's faith and ultimately point to resilient life purpose *Honour of Kings - Bible 2 Print* Matthew Gerwitz,2014-08-21 An introductory Bible curriculum for 6-10 year olds concentrating on the New Testament It is the second in a series of six books that will complete the curriculum The books are designed to be used as parent guides there is no need for a separate book for each child **Behold the King** Lora Mae Miller,2021-10-05 While at a conference at O R U Oral Roberts gave a sermon where he named Jesus in every book of the Bible Lora was fascinated at the concept At the prompting of the Holy Spirit she painted a portrait of Jesus for every book of the Bible Friends encouraged her to share some of the wonderful experiences with the Holy Spirit thus Behold the King became a reality
