Nothings Sacred English Edition:

Nothing Sacred Douglas Rushkoff, 2003-04-08 Acclaimed writer and thinker Douglas Rushkoff author of *Ecstasy Club* and *Coercion* has written perhaps the most important and controversial book on Judaism in a generation As the religion stands on the brink of becoming irrelevant to the very people who look to it for answers *Nothing Sacred* takes aim at its problems and offers startling and clearheaded solutions based on Judaism's core values and teachings Disaffected by their synagogues emphasis on self preservation and obsession with intermarriage most Jews looking for an intelligent inquiry into the nature of spirituality have turned elsewhere or nowhere Meanwhile faced with the chaos of modern life returnees run back to Judaism with a blind and desperate faith and are quickly absorbed by outreach organizations that in return for money offer compelling evidence that God exists that the Jews are indeed the Lord's chosen people and that those who adhere to this righteous path will never have to ask themselves another difficult question again Ironically the texts and practices making up Judaism were designed to avoid just such a scenario Jewish tradition stresses transparency open ended inquiry assimilation of the foreign and a commitment to conscious living Judaism invites inquiry and change It is an open source tradition one born out of revolution committed to evolution and willing to undergo renaissance at a moment's notice But unfortunately some of the very institutions created to protect the religion and its people are now suffocating them If the Jewish tradition is actually one of participation in the greater culture a willingness to wrestle with sacred beliefs and a refusal to submit blindly to icons that just don't make sense to us then the lapsed Jews may truly be our most promising members Why won't they engage with the synagogue and how can they be made to feel more welcome *Nothing Sacred* is a bold and brilliant book attempting to do nothing less than tear down our often false preconceptions about Judaism and build in their place a religion made relevant for the future From the Hardcover edition

Nothing Sacred Elizabeth Ann Scarborough, 2011 In a world where unemployment is obliterated by putting all jobless people in the military to maintain the endless ongoing warfare Warrant Officer Viveka Vanachek finds herself in a weirder place yet Captured raped and interrogated she is finally exiled to a remote snow bound prison camp where she is placed in solitary confinement It seems like the end of the world when she also becomes too sick to eat and starts seeing ghosts and hearing mysterious chanting within the noises of the camp But her dreams tell her there is more to her prison than there seems to be and soon her delusions and reality start trading places

Is *Nothing Sacred*? Ben Rogers, 2013-04-15 A controversial debate on the place of values in a secular age between some of the most outstanding thinkers of our day including Richard Dawkins Simon Blackburn and Ronald Dworkin

Church of Spies Mark Riebling, 2015-09-29 The heart pounding history of how Pope Pius XII often labeled Hitler's Pope was in fact an anti Nazi spymaster plotting against the Third Reich during World War II The Vatican's silence in the face of Nazi atrocities remains one of the great controversies of our time History has accused wartime pontiff Pius the Twelfth of complicity in the Holocaust and dubbed him Hitler's Pope But a key part of the story has remained untold Pope Pius in fact

ran the world's largest church, smallest state and oldest spy service. Saintry but secretive he sent birthday cards to Hitler while secretly plotting to kill him. He skimmed from church charities to pay covert couriers and surreptitiously tape recorded his meetings with top Nazis. Under his leadership the Vatican spy ring actively plotted against the Third Reich. Told with heart-pounding suspense and drawing on secret transcripts and unsealed files by an acclaimed author, *Church of Spies* throws open the Vatican's doors to reveal some of the most astonishing events in the history of the papacy. Riebling reveals here how the world's greatest moral institution met the greatest moral crisis in history. Carole Lombard Michelle Morgan, 2016-10-05

An entertaining and lucid biography. We Are Cult. Carole Lombard was the very opposite of the typical 1930s starlet. A no-nonsense woman, she worked hard, took no prisoners and had a great passion for life. As a result, she became Hollywood's highest paid star. From the outside, Carole's life was one of great glamour and fun, yet privately she endured much heartache. As a child, she was moved across the country away from her beloved father. She then began a film career only to have it cut short after a devastating car accident. After she picked herself back up, she was rocked by the accidental shooting of her lover, a failed marriage to actor William Powell, and the sorrow of infertility during her marriage to Hollywood's King, Clark Gable. Carole marched forward, determined to be positive, only for her life to be cut short in a plane crash so catastrophic that pieces of the aircraft are still buried in the mountain today. In *Carole Lombard*, bestselling author Michelle Morgan tells the story of a woman whose remarkable life and controversial death continues to enthrall. Ministerial Ethics Joe E. Trull, James E. Carter, 2004-03-01

Ministerial Ethics provides both new and experienced pastors with tools for sharpening their personal and professional decision-making skills. The authors seek to explain the unique moral role of the minister and the ethical responsibilities of the vocation and to provide a clear statement of the ethical obligations contemporary clergy should assume in their personal and professional lives. Trull and Carter deal with such areas as family life, confidentiality, truth telling, political involvement, working with committees, and relating to other church staff members. First published in 1993, this edition has been thoroughly updated throughout and contains expanded sections on theological foundations, the role of character, confidentiality, and the timely topic of clergy sexual abuse. Appendices describing various denominational ministerial codes of ethics are included. *When Cultures Collide, Third Edition* Richard Lewis, 2010-11-26

The classic work that revolutionized the way business is conducted across cultures around the world. Journalism in the Movies Matthew C. Ehrlich, 2010-10-01

From cynical portrayals like *The Front Page* to the nuanced complexity of *All the President's Men* and *The Insider*, movies about journalists and journalism have been a go-to film genre since the medium's early days. Often depicted as disrespectful, hard-drinking scandal-mongering misfits, journalists also receive Hollywood's frequent respect as an essential part of American life. Matthew C. Ehrlich tells the story of how Hollywood has treated American journalism. Ehrlich argues that films have relentlessly played off the image of the journalist as someone who sees through lies and hypocrisy, sticks up for the little guy, and serves democracy. He also delves into the genre's always-evolving myths and dualisms to

analyze the tensions hero and oppressor objectivity and subjectivity truth and falsehood that allow journalism films to examine conflicts in society at large The Working Man's Friend, and Family Instructor ,
