

F. Referencing

You can use either footnotes or in-text citations. In either case, the citation should include the author and year, e.g., (Smith 2023). When quoting some text or referring to a specific passage or argument, you should also include the page number, e.g. (Smith 2023, p. 66).

Full details should appear in the bibliography at the end of your essay (e.g., Smith, J. 2023. *My Brilliant Book About Human Nature*. Canterbury: Canterbury University Press).

Feel free to use any standard referencing system (e.g., APA, Chicago, MLA etc.). If in doubt, copy the system used in any academic book or article in the course reading list.
