

### Reflection Paper

If I were to choose two leaders in the world I would choose Manuel L. Quezon and Napoleon Bonaparte. Manuel L. Quezon. He was a prominent Filipino statesman who played a crucial role in Philippine history, particularly during the early 20th century. Quezon served as the first President of the Commonwealth of the Philippines from 1935 to 1944. He was instrumental in advocating for Filipino independence from American colonial rule. Quezon's leadership helped shape the Philippines' path towards self-governance and independence. I chose him as a leader because of his passion, vision, courage, charisma, and commitment, the moment i've read the instructions for this reflection paper, Manuel quezon is the first name that popped up on my mind, it is because of his famous lines "I would rather have a country run like hell by Filipinos than a country run like heaven by the Americans, because however a bad Filipino government might be, we can always change it." Which is true, it looks like we are being run like hell, but one thing that inspire me is how he showed how much he trusts his countrymen that we can always improve. His main weakness is he is being noticed by his leadership, his leadership style has been criticized for being authoritarian at times, particularly during his tenure as President of the Commonwealth of the Philippines. Critics argue that he concentrated power in his own hands and suppressed political opposition. The next leader I chose is Napoleon, Napoleon Bonaparte (1769–1821) was a French military and political leader who rose to prominence during the French Revolution. He became Emperor of the French from 1804 to 1814 and again briefly in 1815 during the Hundred Days. He was known for his famous quotes, "Never interrupt your enemy when he is making a mistake" and "The best cure for the body is a quiet mind" I dont like the things he did way back in the war, but I like how he inspire his soldiers to fight for him. Napoleon possessed charisma and leadership qualities that inspired loyalty and devotion among his soldiers and followers. He was known for his ability to motivate and inspire confidence in his troops, leading them to achieve remarkable feats on the battlefield. One of Napoleon's most significant weaknesses was his tendency to overextend his military campaigns and pursue overly ambitious goals. This was evident in his decision to invade Russia in 1812, which ultimately led to a disastrous defeat for the French army due to the harsh Russian winter and scorched-earth tactics.
