## **Reframing A Relevant Faith:**

**Reframing a Relevant Faith** C Drew Smith, 2014-12-03 Many people expect faith to be inflexible and unchanging. It is relevant because it always has been at least to them. To admit change is to bring on the end of faith and all of its benefits. Others believe that a relevant faith is by nature shallow and unrooted. Author and educator Drew Smith disagrees. He believes that it is both possible and necessary to reframe faith in such a way that it is relevant to our present society. At the same time, this reframed faith is still a historic faith. It is definitely not shallow and in fact is rooted deeply in the person and teaching of Jesus. Chapters look at why a faith should be progressive, how it can be rooted in the scriptures, the importance of the person of Jesus, and what this means for the mission of the church. Each chapter includes questions for reflection and discussion, making it easy to use this guide in group study. Those who are looking for an alternative to an anti-intellectual and narrow Christianity will find in this book an essential and friendly guide.

**Out of the Ashes** Kenneth W. Arthur, 2017-08-10 This book seeks to help those who doubt or can no longer believe what they've been taught about Christianity; that they don't have to abandon their faith. Kenneth Arthur challenges traditional thinking and helps the reader move beyond fundamentalism by thoughtfully reflecting on theological alternatives. His life has truly been a pilgrimage, a search for meaning and purpose that includes belief and behavior as well as belonging, so he proposes a constructive theology based on his own experiences and education in conjunction with the Bible, well-known theologians, and other sources of revelation. Discussion questions at the end of each chapter invite conversation and provide a helpful resource for small groups.

**Galatians** Bruce G. Epperly, 2016-09-16 With this volume on Paul's Letter to the Galatians, Dr. Bruce Epperly, author of *Philippians: A Participatory Study Guide*, *Finding God in Suffering*, *A Journey with Job*, and *Transforming Acts*, acts of the Apostles as a 21st Century Gospel again brings the study of a Bible book to life for a 21st century audience. Epperly founds his work in the results on modern critical scholarship but he's not content with reciting scholarship or discussing history. He aims to make the study of this theologically central letter a transformative experience. He does so by never losing sight of the fact that human problems remain human problems and that human potentiality touched by God's grace can accomplish great things. He finds a message of liberation in this book: liberation from our guilt, yes, but also liberation from our self-imposed limitations. Through reading, discussion, exercises, and thought questions, he leads the reader through a study that can only be described as an adventure. It is an adventure you won't want to miss.

**The Gospel According to Mark** Robert C McKibben, 2016-09-27 In this 15th volume of the Participatory Study Series, Bob McKibben opens up the gospel of Mark in new ways. Often considered of secondary theological value, more of a short story version of the gospel, Bob presents Mark as history and serious theology with a very relevant message for followers of Jesus today. The participatory study method is especially fruitful in this guide as readers walk with Jesus through the story of the apostles, watch as the cross approaches, and wonder with them what has really happened. In these 15 lessons, you will be able to read the gospel with fresh eyes and apply it to your own life as a

follower of Jesus      **Reframing Spiritual Formation** Edward H. Hammett, 2002 Reframing Spiritual Formation takes seriously the realities of an increasingly secular pluralistic and spiritually thirsty population base most churches face with fear yet are called to reach and disciple Hammett provides succinct overviews of the challenges and opportunities these realities bring to the doors of churches and their leaders His primary focus is on facilitative questions and practical ideas for discipling the church and the unchurched who are seeking grounding and meaning in this rapidly changing world

Poetic Life Experiences Tabitha Edwards-Walton, 2015-05-27 Tabitha Edwards Walton brings us another serving of her wonderful poetry This time she ushers us into the emotions and experiences of life      **Reframing the Soul** Gregory Spencer, 2018-03-13 When you frame your life what's in the picture We don't just remember the past We remember it as we have framed it Jesus calls us to reframe life grace instead of law love instead of retaliation demonstrating that our faith work is framework In this book readers will be awakened to the power of the words they choose As we begin to change our word choices we become empowered to reframe our story according to the truth of our lives and the wisdom of the gospel New circumstances a divorce a new job an illness or a revelation about the past often drive us to reframe In these times of crisis or change we realize that the words and labels we have previously accepted are unsatisfying Reframing the Soul guides readers through remembering the past with gratitude anticipating the future with hope dwelling within themselves with peace and relating to others in love

**One World** Bruce G Epperly, 2019-02-05 Can you imagine reading the Lord's Prayer as a gateway to adventure Bruce Epperly who has introduced process theology to the masses through concise readable guides presents this well known prayer through a vision of a relational open spirited profoundly personal always creative and forward looking God who invites us to be companions in the holy adventure of healing the earth This is not your routine book on the Lord's Prayer Instead it is an invitation to to holy adventure through sharing in the prayer of Jesus Each short chapter includes a section titled Living the Prayer of Jesus In the back there are a series of questions for conversation This book is short only 35 pages of text besides the questions and concise but it is also challenging It would make a good church wide or small group study and is suitable for individual reading
