Dominance and Decline Susan Booysen,2015-10-01 As Jacob Zuma moves into the twilight years of his presidencies of both the African National Congress ANC and of South Africa this book takes stock of the Zuma led administration and its impact on the ANC Dominance and Decline The ANC in the Time of Zuma combines hard hitting arguments with astute analysis Susan Booysen shows how the ANC has become centred on the personage of Zuma and that its defence of his extremely flawed leadership undermines the party's capacity to govern competently and to protect its long term future Following on from her first book The African National Congress and the Regeneration of Power 2011 Booysen delves deeper into the four faces of power that characterise the ANC Her principal argument is that the state is failing as the president's interests increasingly supersede those of party and state Organisationally the ANC has become a hegemon riven by factions as the internal blocs battle for core positions of power and control Meanwhile the Zuma controlled ANC has witnessed the implosion of the tripartite alliance and decimation of its youth
