Dear _____,

Thank you so much for your interest in joining RAHS Health Center's Youth Advisory Council (YAC). While you have much to offer, you were not selected this year. If you have any questions or would like to discuss this decision further, please stop by the Health Center to set up an appointment.

Sincerely,

To the Letter Simon Garfield,2013-11-14 The New York Times bestselling author of *Just My Type* and *On the Map* offers an ode to letter writing and its possible salvation in the digital age Few things are as exciting and potentially life changing as discovering an old letter And while etiquette books still extol the practice letter writing seems to be disappearing amid a flurry of e mails texting and tweeting The recent decline in letter writing marks a cultural shift so vast that in the future historians may divide time not between BC and AD but between the eras when people wrote letters and when they did not So New York Times bestselling author Simon Garfield asks Can anything be done to revive a practice that has dictated and tracked the progress of civilization for more than five hundred years In *To the Letter* Garfield traces the fascinating history of letter writing from the love letter and the business letter to the chain letter and the letter of recommendation He provides a tender critique of early letter writing manuals and analyzes celebrated correspondence from Erasmus to Princess Diana He also considers the role that letters have played as a literary

device from Shakespeare to the epistolary novel all the rage in the eighteenth century and alive and well today with bestsellers like *The Guernsey Literary and Potato Peel Pie Society* At a time when the decline of letter writing appears to be irreversible Garfield is the perfect candidate to inspire bibliophiles to put pen to paper and create a form of expression emotion and tactile delight we may clasp to our heart **That's How They Get You** Damon Young, 2025-06-03 From the Thurber Prize winning author of *What Doesn't Kill You Makes You Blacker* comes a pioneering collection of Black humor from some of the most acclaimed writers and performers at work today A critic explores the paradox of finding community in the dozens while grieving A violent town ritual causes an all too familiar moral panic An email thread between friends on why we need an updated Green Book but for public toilets All across the nation Karens become illegal overnight These are just a few of the hilarious worlds contained in Damon Young's groundbreaking anthology featuring the best funniest and Blackest essays short stories letters and rants With words that roast ignite and burn while connecting to and coalescing around a singular thesis *That's How They Get You* emphasizes how and why Black American humor is uniquely transfixing This is a mixture of not just observational anxieties and stream of consciousness lucidities but also acute political clarity about America Edited and with an introduction by Damon Young the critically acclaimed author of *What Doesn't Kill You Makes You Blacker* the collection features new material from an all star roster of contributors including Hanif Abdurraqib Mahogany L.
