Ruth With Biographical Introduction:

A Political Biography of Arkadij Maslow, 1891-1941 Mario Kessler, 2020-04-30 This book is a political biography of Arkadij Maksimovich Maslow 1891 1941 a German Communist politician and later a dissident and opponent to Stalin Together with his political and common law marriage partner Ruth Fischer Maslow briefly led the Communist Party of Germany the KPD and brought about its submission to Moscow Afterwards Fischer and Maslow were removed from the KPD leadership in the fall of 1925 and expelled from the party a year later Henceforth they both lived as communist outsiders persecuted by both Hitler and Stalin Maslow escaped to Cuba via France and Portugal and was murdered under dubious circumstances in Havana in November 1941 He died as a communist dissident committed to the cause of a radical socialist labor movement that lay in ruins Kessler considers Maslow s role in pivotal events such as the Bolshevik Revolution in Soviet revolutionary parties and organizations through to the rise of Stalinism and Cold War anti communism What results is a deep dive into the life of a key yet understudied figure in dissident communism American Biography Carl Rollyson, 2006-02-22 This collection of reviews selected from Rollyson's New York Sun column is as much about the romance of biography as it is about the American lives Certain concerns resonate throughout the book the American left's failure to reckon with Communist subversion McCarthyism and Stalinism the problematic nature of authorized biography the history of American biography definitive biographies literary biography the differences between autobiography and biography the importance of interviews in biographies of contemporary figures the differences between history and biography comparative biographies the virtues of short biographies and of biographies for children the tendency of biographers to fictionalize and of novelists to biographize psychology and biography Rollyson's own experience as a biographer and the way biographers treat one another s work Too many biographers he believes evince no interest in the biographical tradition Concerned only with possession of their subjects their proprietorial attitude deforms not only their biographies but also the genre itself If biography is reviewed badly receiving hardly more than a summary of the subject s life with a perfunctory nod to the biographer it is because the biographical tradition has been disregarded or discounted This book in other words has been written on the behalf of biography a genre that still awaits a full vindication Dictionary of Labour Biography Keith Gildart, David Howell, 2018-02-04 The Dictionary of Labour Biography has an outstanding reputation as a reference work for the study of nineteenth and twentieth century British history Volume XIV maintains this standard of original and thorough scholarship Each entry is written by a specialist drawing on an array of primary and secondary sources The biographical essays engage with recent historiographical developments in the field of labour history. The scope of the volume emphasises the ethnic and national diversity of the British labour movement and neglected political traditions **Female Scripture Biography** Including an Essay on What Christianity Has Done for Women Vol. I Francis Augustus Cox, 2024-01-02 Francis Augustus Cox Female Scripture Biography Including an Essay on What Christianity Has Done for Women Vol I dives into the
