The Sexual Organization of the City Edward O. Laumann, Stephen Ellingson, Jenna Mahay, Anthony Paik, Yoosik Youm, 2005-08-01 We think of the city as a place where anything goes Take the sensational fantasies and lurid antics of single women on Sex in the City or young men on Queer as Folk and you might imagine the city as some kind of sexual playground a place where you can have any kind of sex you want with whomever you like anytime or anywhere you choose But in The Sexual Organization of the City Edward Laumann and company argue that this idea is a myth Drawing on extensive surveys and interviews with Chicago adults they show that the city is to the contrary a place where sexual choices and options are constrained From Wicker Park and Boys Town to the South Side and Pilsen they observe that sexual behavior and partnering are significantly limited by such factors as which neighborhood you live in your ethnicity what your sexual preference might be or the circle of friends to which you belong In other words the social and institutional networks that city dwellers occupy potentially limit their sexual options by making different types of sexual activities relationships or meeting places less accessible To explain this idea of sex in the city the editors of this work develop a theory of sexual marketplaces the places where people look for sexual partners They then use this theory to consider a variety of questions about sexuality Why do sexual partnerships rarely cross racial and ethnic lines even in neighborhoods where relatively few same ethnicity partners are available Why do gay men and lesbians have few public meeting spots in some neighborhoods but a wide variety in others Why are African Americans less likely to marry than whites Does having a lot of friends make you less likely to get a sexually transmitted disease And why do public health campaigns promoting safe sex seem to change the behaviors of some but not others Considering vital questions such as these and shedding new light on the city of Chicago this work will profoundly recast our ideas about human sexual behavior

Rx for the Ailing Bride Nathan James, 2012-01-04 Today's church has shackled itself to many Reformation doctrines not supported in scripture Regarding salvation two of those doctrines that have been particularly detrimental are Calvinism and Arminianism Both of these have selectively filtered Biblical passages through their man made theological construct effectively rejecting the whole council of God Baptist churches in particular have widely subscribed to either the doctrines or mission of Arminianism which essentially requires that every believer's primary responsibility is to be an evangelist Preaching this man made doctrine from pulpits every Sunday has played a significant role in stunting the spiritual growth of most members as they are crammed into a role outside of their spiritual gifting At the same time the real work associated with a believer's true spiritual giftedness is going unused failing to minister to the body of Christ as God designed The cumulative effect is that the local church is focused on enticing those outside the church to join an assembly that essentially ignores the needs of those within The key marker that Jesus said would show the outside world who we belong to is our love for one another The early church understood this clearly as they shared all things in common with their fellow believers They sacrificially gave of their physical possessions to meet the tangible needs of the saints and used their spiritual gifts to edify and strengthen one another spiritually So if the Arminianistic model is not valid what does the ideal Christian look like Based on Scripture we see these essential characteristics Seeking to be daily clean before God and filled with the Holy Spirit Operating in the Body of Christ in accordance with the spiritual gift bestowed to each believer and Actively obedient to the Commands of Christ Join Nathan in exploring these characteristics as he seeks to bring maturity to believers and to restore the well being and health of the sickly bride of Christ
