[A Guide to Reading Herodotus' Histories](#) Sean Sheehan, 2018-04-05 Modern scholarship judges Herodotus to be a more complex writer than his past readers supposed His *Histories* is now being read in ways that are seemingly incompatible if not contradictory This volume interrogates the various ways the text of the *Histories* has been and can be read by scholars as the seminal text of our Ur historian as ethnology literary art and fable Our readings can bring out various guises of Herodotus himself an author with the eye of a travel writer and the mind of an investigative journalist a globalist enlightened but superstitious a rambling storyteller but a prose stylist the so called father of history but in antiquity also labelled the father of lies both geographer and gossipmonger both entertainer and an author whom social and cultural historians read and admire Guiding students chapter by chapter through approaches as fascinating and often surprising as

the original itself Sean Sheehan goes beyond conventional Herodotus introductions and instead looks at the various interpretations of the work which themselves shed light on the original With text boxes highlighting key topics and indices of passages this volume is an essential guide for students whether reading Herodotus for the first time or returning to revisit this crucial text for later research    The Annual American Catalogue 1886-1900 ,1900    **New Hope for Children and**
