GAMBLING ADDICTION

Gambling addiction is a behavioral addiction that produces many negative social, psychological, and physical effects. Additionally, gambling addiction is referred to as an **impulse-control disorder**.

Despite facing negative repercussions, most individuals addicted to gambling are unable to quit without professional help.

While the majority of people addicted to gambling are men

this condition affects women as well.

People living with this addiction may experience:

- depression
- migraines
- distress
- intestinal disorders
- and other stress-related issues....
