Abraham Tal,2019-10-21 Tib t M rqe is a collection of midrashic compositions which in the main rewrites the Pentateuch expanding its sometimes laconic presentation of events and precepts Most of it aims at providing the reader with theological didactic and philosophical teachings artistically associated with the passages of the Torah Here and there poetic pieces are embedded into its otherwise prosaic text Tib t M rqe is attributed to the 4th century scholar philosopher and poet M rqe This publication of Tib t M rqe follows the monumental Hebrew edition of Ze ev Ben Hayyim Tib t M rqe a Collection of Samaritan Midrashim Jerusalem 1988 based on a 16th century manuscript Though he recognized the precedence of an earlier manuscript dated to the 14th century Ben Hayyim was compelled to prefer the former given the fragmentary state of the latter He printed its fragments in parallel with the younger one to which his annotations and discussions chiefly pertain With the recent discovery of a great portion of the missing parts of the 14th century manuscript this edition endeavors to present the older form of the composition The present book may be relevant to people interested in literature language religion and Samaritan studies *The Bridge from Creation to Redemption* C. Benjamin Wilkes,2012-07-05 If there is a true genuine plan coming from an all omnipotent God the creator of all mankind and it is specially directed to all people of His creation and that plan is focused with the intent to reconcile and save humanity back to the Creator here is that plan This book explains from a Christian perspective what God s true plan entails and what we have to do to accept this plan It is a plan that has been around for over two thousand years but over the ages the complexity of this plan has been obscured and watered down in its interpretation There comes a time when this God of ours attempts to touch us spiritually with His plan It is the responsibility of all mankind to wake up and open up their hearts and minds to what God is trying to tell us **“A” Call to the Unconverted...** Richard Baxter,1840 To Liberate and Redeem Edward LeRoy Long,2009-12-01 In *To Liberate and Redeem* scholar Edward LeRoy Long Jr surveys the full biblical narrative setting the context by beginning with the oppression of Israel s enslavement and the Exodus liberation then looking back to the Creation and forward to Christ Paul and the early church This original approach demonstrates how the unfolding drama of the Bible is marked by those who need liberation because they are trapped in oppressive structures and those who once freed must faithfully construct communities of redemption so as not to become oppressors themselves From this basis Long explores how present day moral decisions

can be informed by studying the ways in which our biblical forebears wrestled with concerns similar to our own while standing in faithful responsiveness to God      *Redemption Song* Bertice Berry,2008-12-10 Owner of a small African American bookshop Miss Cozy has an unique gift Customers who walk through her door rarely leave without a book that speaks directly to their life But when Josephine Fina and Ross arrive in search of an obscure unpublished manuscript written by a slave woman Miss Cozy knows that all her visions have been leading her to this magical day Yet Miss Cozy has no intention of selling the manuscript no matter the price So she offers Fina and Ross an alternative They can read it together at the store It was not what they hoped for but their interest in the extraordinary love story is about as strong as their uncanny attraction for one another one they both sense runs much deeper than a kiss In the course of a few days Fina and Ross realize that this powerful book has special meaning for the two of them and that the path to their shared future may be linked to something that happened more than a century ago      *Redeemed Hearts* Cathy Marie Hake,2013-01-01 When famine ravages Ireland Brigit Murphy and her family are forced to move to America There Brigit becomes a maid in the Newcomb home where the mistress of the house Emily Newcomb is determined to marry off her brother Duncan When Duncan a ship s captain discovers he s fallen in love with the maid he plans to tell her his feelings and make her his wife But when some things come up missing from the Newcomb house Brigit becomes the chief suspect Will Duncan obey his sister s orders to rid the household of Brigit s presence Or will the captain s heart determine his next course      **Each Hour Redeem** Daylanne K. English,2013-03-29 *Each Hour Redeem* advances a major reinterpretation of African American literature from the late eighteenth century to the present by demonstrating how its authors are centrally concerned with racially different experiences of time Daylanne K English argues that from Phillis Wheatley to Suzan Lori Parks African American writers have depicted distinctive forms of temporality to challenge racial injustices supported by dominant ideas of time The first book to explore the representation of time throughout the African American literary canon *Each Hour Redeem* illuminates how the pervasive and potent tropes of timekeeping provide the basis for an overarching new understanding of the tradition Combing literary historical legal and philosophical approaches *Each Hour Redeem* examines a wide range of genres including poetry fiction drama slave narratives and other forms of nonfiction English shows that much of African American literature is characterized by strategic anachronism the use of prior literary forms to investigate contemporary political realities as seen in Walter Mosley s recent turn to hard boiled detective fiction By contrast strategic presentism is exemplified in the Black Arts Movement and the Harlem Renaissance and their investment in contemporary political potentialities for example in Langston Hughes and Amiri Baraka s adaptation of the jazz of their eras for poetic form and content Overall the book effectively demonstrates how African American writers have employed multiple and complex conceptions of time not only to trace racial injustice but also to help construct a powerful literary tradition across the centuries      **Why Cancer Is Not Bad Luck** Ronald D. Daves,2012-06 This book shares the great comfort of God s grace that is found in dealing with the news

of cancer illness or even death Paul speaks of this in 2 Corinthians 1:3-5 Blessed be the God and Father of our Lord Jesus Christ the Father of mercies and God of all comfort who comforts us in all our tribulation that we may be able to comfort those who are in any trouble with the comfort with which we ourselves are comforted by God For as the sufferings of Christ abound in us so our consolation also abounds through Christ Paul tells us God is the God of comfort and mercy through all tribulations and He gives that same comfort and mercy to His own God's comfort and mercy is given to us so that we can share it with others Within the pages of this book Ronald Daves shares God's comfort and mercy with empathy and compassion to those suffering and in need of God's comfort He reveals the comfort he received in dealing with his own cancer and shares hope with those dealing with the news of cancer or illness in their own lives
