G. Wilde,2023-06-22 **Generation One** Elizabeth Stephens,2020-11-19 Abel should have let me die Jack should have killed me Tormented by ghosts of monsters including the one I've become Abel the human queen had no business doing what she did Bringing me back from the dead I'm alive now but can you call it that Trudging through hell alongside aliens with this band of survivors that thinks they'll rebuild civilization We pick up stragglers along the way and I'm expected to fight to keep them alive keep them safe I don't know what that instinct even looks like until I crash into her Pia She fights her own battles to keep her father alive and to keep one worse than a scavenger worse than a gang member from taking her But I've been through Population I've seen its demons and swallowed them whole She looks at me like I'm her savior like she doesn't see the scars on my face hear the

hiccup to my speech or care about the things I've done. Even if she doesn't know better, I keep my distance. As we fight our way through Population, hoping to reach a safe place for us humans that are left, I don't need to be near to kill for her when ghosts from her past and mine come. Generation 1 is book 3 in the Population series. An interracial post-apocalyptic Sci-Fi romance complete with HEA; this book can be read as a standalone but may be better appreciated after reading Population and Saltlands. Trigger warnings for dark themes, moderately steamy sex, and more than moderate violence. There is NO cheating, ménage, or love triangles, and no degrading or demeaning forms of intimacy.      *War* A G Wilde, 2022-08-13

SAN TEN The war has begun. While my brethren find mates with these new hyu mankin, I want nothing to do with such relations. There is only one need within me, and I have been waiting for a long time to sate it: a need for WAR. And I get a taste. It is a sweet fire that fills my soul as I destroy the beings who have ripped my world apart. I will know nothing sweeter. That is until she wakes. When Mee-na escapes from Base Zero, I am the only one who can retrieve her. A traitor. She colludes with the very beings I have vowed to destroy. And my vengeance knows no bounds. I will find her. I will bring her back. And she will pay. But that sweet fire, that taste of war, is nothing like the fire I encounter on my quest. I am suddenly fighting two battles, and the one that will claim my heart, my soul, is the one I cannot afford to lose. War is a full-length apocalyptic sci-fi alien invasion romance featuring a strong heroine and a badass alien hero bent on anger and revenge. There are triggers in this story: graphic scenes involving violence and death, dark themes, and scenes of a sexual nature. Contains forced proximity and aliens with interesting tools.      *Saltlands: an Alien Invasion Sci-Fi Romance* Elizabeth Stephens, 2016-05-20

Abel and Mikey are trapped, and Kane is taken. The struggle for survival has never been more strained as Mikey and Abel fight to escape their submerged prison cell, cross the apocalyptic landscape known as Population, and find Kane.
