Synchrotron Radiation C. Kunz,2013-11-11 Synchrotron radiation as a spectroscopic research tool has undergone a most inter esting and astonishing historical development and has now come to the stage of an exciting boom The machines which produce synchrotron radiation were built and de veloped exclusively for other purposes in the past namely high energy physics At the same time however they involuntarily became better and better light sources for the spectral range from the visible to the hard x ray region Now we are at the point that the first few storage rings have gone into operation as machines dedicated to synchrotron radiation and several more are in the stage of construction and planning All this was brought about by the successful research performed during the past fifteen years in which several groups allover the world haVe participated at dif ferent accelerator centers mostly symbiotic with high energy physics As it happens with a young and rapidly developing field the number of reviews and monographs is still minute The objective of this book is to fill an apparent gap and to provide a sound basis for those who are interested in synchrotron radiation and its applica tions *Plain English for Doctors and Other Medical Scientists* Oscar Linares,David Daly,Gertrude Daly,2017-03-15 Plain English for Doctors shows how to write about medical science in a clear and vivid way It can help a medical writer at any level from beginner to veteran since it gives specific practical advice Writing in plain English can help your writing reach a wider audience

including people in other specialties levels of training other fields and other countries around the world What makes medical writing hard to read Is it complex science or complex grammar This book shows how to keep good science but avoid complex grammar It describes the symptoms of *medicus incomprehensibilis* those over used writing habits that tend to make medical writing hard to read It shows how to treat each symptom using a proven plain English writing tip Each tip is easy to apply and comes with exercises The exercises are based on excerpts from articles published in leading medical journals Model revisions vastly improve reading ease and grade level The book looks at medical writing from three angles Concept 1 Take charge of your reading ease score shows how to manage reading ease Concept 2 Write vividly shows how to write more vividly by focusing on real world objects and actions Concept 3 Present logical reasoning clearly gives tips on how to choose a clear narrative pathway and forge a strong chain of logical reasoning This book is a must for anyone who writes about medical science The ability to express complex ideas in simple language is not a remedial skill Rather it can only be seen as a sign of mastery *Preschool and Elementary* Mary Pride,1991-06 Preschool and elementary volume 2
