**Relation Du Voyage de MM. Gabet Et Huc** Joseph Gabet, 2015-02-14 Relation du voyage de MM Gabet et Huc par Joseph Gabet Joseph Gabet etait un missionnaire catholique francais 1808 1853 *Relation du voyage de MM. Gabet et Huc, missionnaires Lazaristes, à travers le Tibet jusqu'en Chine* J. Gabet, 1849 Britain and Tibet 1765-1947 Julie G. Marshall, 2005 This bibliography is a record of British relations with Tibet in the period 1765 to 1947 As such it also involves British relations with Russia and China and with the Himalayan states of Ladakh Lahul and Spiti Kumaon and Garhwal Nepal Sikkim Bhutan and Assam in so far as British policy towards these states was affected by her desire to establish relations with Tibet It also covers a subject of some importance in contemporary diplomacy It was the legacy of unresolved problems concerning Tibet and its borders bequeathed to India by Britain in 1947 which led to border disputes and ultimately to war between India and China in 1962 These borders are still in dispute today It also provides background information to Tibet's claims to independence an issue of current importance The work is divided into a number of sections and subsections based on chronology geography and events The introductions to each of the sections provide a condensed and informative history of the period and place the books and article in their historical context Most entries are also annotated This work is therefore both a history and a bibliography of the subject and provides a rapid entry into a complex area for scholars in the fields of international relations and military history as well as Asian history *Annales des voyages, de la géographie, de l'histoire et de l'archéologie*, 1847 Nouvelles annales des voyages de la géographie et de l'histoire ou recueil des relations originales in dites **Annales de l'Association de la propagation de la foi**, 1847, **Nouvelles annales des voyages**, 1847 **Annales De La Propagation De La Foi. E. Mungello, 2008-06-27 This groundbreaking book offers the first full analysis of the long neglected and controversial subject of female infanticide in China Although infanticide and child abandonment were worldwide phenomena from antiquity down to the nineteenth century when massive numbers of children were still being abandoned in Europe China was unique in targeting girls almost exclusively Yet despite its persistence for two thousand years little has been published on a practice that is deeply sensitive within China and little understood by outsiders Drawing on little known Chinese documents and illustrations noted historian D E Mungello describes the causes and continuation of female infanticide since 1650 despite efforts by Confucian moralists Buddhist teachings government officials and even imperial edicts to stop the practice The arrival of Christian missionaries led to foreign involvement as well with Catholic priests

baptizing abandoned and dying infants in Nanjing and Beijing beginning in the early 1600s Mission efforts peaked in the nineteenth century when the European based Society of the Holy Childhood urged Catholic children to contribute their pennies to help neglected children in China However most of the infant victims were drowned at birth in the privacy of their homes thereby escaping the scrutiny of the law and the public Mungello brings this secretive practice to light with a nuanced and balanced analysis of the cultural economic and social causes of early infanticide and its contemporary manifestation in sex selected abortion as a result of the government s one child policy Presenting female infanticide as a human rather than a distinctly Chinese problem he estimates the tragic loss of girls in the millions
