Myths and Legends of Japan Frederick Hadland Davis, 1992-01-01 Selection of Japanese folk tales Illus Myths, Legends, and Tall Tales Christopher R. Fee, Jeffrey B. Webb, 2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father's cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today's urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore Theresa Bane, 2016-05-22 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200 monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world Persepolis and Jerusalem Jason M. Silverman, 2012-10-10 Persepolis and Jerusalem reconsiders Iranian influence upon Jewish apocalyptic and offers grounds

upon which such study may proceed After describing the history of scholarship on the question of Iranian influence and on Jewish apocalyptic Jason M Silverman reformulates the methodology for understanding apocalyptic and influence Two chapters set the discussion firmly in the Achaemenid Empire describing the sources for Iranian religion the issues involved in attempting a historical reconstruction the methodology by which one can date the various texts and ideas and the potential loci for Iranian Judaean interaction The historical context is expanded through media contextualization particularly Oral Theory and critiques the standard text centric method of current Biblical Scholarship With this background pericopes from Ezekiel Daniel and 1 Enoch are analyzed for Iranian influence The study then brings together the contexts and analyses to argue for an Apocalyptic Hermeneutic which relates the phenomena of apocalypticism apocalypse and millenarianism seeing the hermeneutic as a dialectical thread holding them all together as well as apart and posits this as the best place to understand Iranian influences Harry Potter and the Myth of Millennials Priscilla Hobbs, 2022-05-16 The publication of the Harry Potter series in the United States coincided with the coming of age of its main target audience the millennial generation Harry Potter and the Myth of Millennials Identity Reception and Politics takes an interdisciplinary view of Harry Potter as a series and a phenomenon to uncover how the appeal of Harry became a lifestyle a moral compass and a guiding light in an era fraught with turbulence and disharmony As a new phenomenon at the time Harry Potter provided comfort through the heroism of the main characters showing that perseverance and constant vigilance to quote one of the professors could overcome the darkest of times Hobbs argues that Harry Potter prepared an entire generation for the chaotic present marked by the 2016 Election and 2020 Pandemic by shaping the political attitudes of its readers many of whom were developing their political identities alongside Harry Her analysis focuses on both the novels themselves and the ways in which fans connected globally through the Internet to discuss the books commiserate about the events swirling around them and answer calls to action through Harry Potter inspired activism In short Harry Potter and the Myth of Millennials examines how Harry Potter became a generation's defining mythology of love unity and transformation B.P.R.D.: The Universal Machine #5 John Arcudi, Mike Mignola, 2011-04-26 As Kate's devilish adventure in a haunted French village concludes Roger s fate is resolved in an otherworldly confrontation and each member of the Bureau for Paranormal Research and Defense confronts the truth of their own deaths which each has had to face alone **Ten Gods** Emily Lyle,2012-12-21 The various Indo European branches had a shared linguistic and cultural origin in prehistory and this book sets out to overcome the difficulties about understanding the gods who were inherited by the later literate cultures from this early silent period by modelling the kind of society where the gods could have come into existence It presents the theory that there were ten gods who are conceived of as reflecting the actual human organization of the originating time. There are clues in the surviving written records which reveal a society that had its basis in the three concepts of the sacred physical force and fertility as argued earlier by the French scholar Georges Dum zil These concepts are now seen as corresponding to the old men young

men and mature men of an age grade system and each of the three concepts and life stages is seen to relate to an old and a young god In addition to these six gods and to two kings who relate in positive and negative ways to the totality there is a primal goddess who has a daughter as well as sons The gods like the humans of the posited prehistoric society are seen as forming a four generation set originating in an ancestress and the theogony is explored through stories found in the Germanic Celtic Indian and Greek contexts The sources are often familiar ones such as the Edda the Mabinogi Hesiod s Theogony and the R m ya a but selected components are looked at from a fresh angle and taken together with less familiar and sometimes fragmentary materials yield fresh perspectives which allow us to place the Indo European cosmology as one of the world's indigenous religions. We can also gain a much livelier sense of the original culture of Europe before it was overlaid by influences from the Near East in the period of literacy The gods themselves continue to exert their fascination and are shown to reflect a balance between the genders between the living and the ancestors and between peaceful and warlike aspects expressed at the human level in alternate succession to the kingship Chinese Popular Literature and the Child Dorothea Hayward Scott, 1980 Hitchens brings the character of Jefferson to life as a man of his time and also as a symbolic figure beyond it Conflicted by power Jefferson wrote the Declaration of Independence and acted as Minister to France yet yearned for a quieter career in the Virginia legislature Predicting that slavery would shape the future of America s development this professed proponent of emancipation continued to own human property He negotiated the Louisiana Purchase with France doubling the size of the nation and authorized the Lewis and Clark expedition opening up the American frontier The Barbary War a lesser known chapter of his political career led to the building of the U S Navy and the fortification of America's reputation regarding national defense In the background is the fledgling nation's struggle for independence formed in the crucible of the eighteenth century Enlightenment and in its shadow the deformation of that struggle in the excesses of the French Revolution From publisher description The Oxford Companion to World Mythology David Leeming, 2005-11-17 An interesting and lively book that contains articles on heros villains mythologists and A Critical History and Filmography of Toho's Godzilla Series, 2d ed. David mythological approaches Kalat, 2017-11-03 This thoroughly updated and revised critical account of the Godzilla movie franchise explores the fascinating story behind Japan's most famous movie monster and its development from black and white arthouse allegory to international commercial juggernaut Reviled by critics but boasting a dedicated cult following the films of the Godzilla franchise provide a unique window into the national identities of both Japan and the United States This work focuses on how differences in American and Japanese culture as well as differences in their respective film industries underlie the discrepancies between the American and Japanese versions of the films It features detailed filmographic data for both the American and Japanese versions of each film including plot synopses cast credits and detailed production notes Sinophone-Anglophone Cultural Duet Sheng-mei Ma, 2017-07-26 This book examines the paradox of China and the United

States literary and visual relationships morphing between a happy duet and a contentious duel in fiction film poetry comics and opera from both sides of the Pacific In the 21st century where tension between the two superpowers escalates a gaping lacuna lies in the cultural sphere of Sino Anglo comparative cultures By focusing on a Sinophone Anglophone relationship rather than a China US one Sheng mei Ma eschews realpolitik focusing on the two languages and the cross cultural spheres where contrary to Kipling's twain East and West forever meet like a repetition compulsion bordering on neurosis over the self and its cultural other Indeed the coupling of the two duet cum duel is so predictable that each seems attracted to and repulsed by its dark half semblable in compatible for their shared larger than life ness The Reprint Bulletin Book The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study Scholar Boxer Chang Naizhou, 2005-07-07 Master Chang known as the scholar boxer lived and practiced in H n n province at the center of Chinese culture and martial arts near the Sh ol n Temple and legendary Lu y ng His extensive writings reflect many of the ideas even the phraseology now familiar from classic Tai Chi Chuan texts Chinese language authority Marnix Wells traveled to Ching s village where the master's family carries on his tradition of Ch ng boxing This resulting study of Chang's life and teachings reveals the true origins of today's internal martial The Publishers Weekly ,2003 The Bookseller and the Stationery Trades' Journal ,1896 Official organ of the book arts trade of the United Kingdom **The Roots of Hinduism** Asko Parpola, 2015 In this pioneering book Asko Parpola traces the Indo Iranian speakers from the Aryan homeland north of the Black Sea through the Eurasian steppes to Central West and South Asia presenting new ideas on the origin and formation of the Vedic literature and rites and the great Hindu epics Zoological Mythology Angelo de Gubernatis, 2020-08-01 Reproduction of the original Zoological Mythology by Angelo de Gubernatis **The Abyss in Revelation** Edward Gudeman, 2021-09-07 It is generally accepted that Revelation s heavenly

scenes were intended to demonstrate that God continued to exercise his control even when the audience s experience might suggest otherwise In The Abyss in Revelation Edward Gudeman argues that even though the scenes of the underworld and its inhabitants are describing reality from the opposite perspective they declare God s sovereignty and power in an equally powerful way Examining the motif and imagery of the abyss and the sea in Old Testament New Testament Greco Roman and Second Temple Jewish writings Gudeman identifies traditions that John appropriates in Revelation in order to create his unique vision of the abyss Gudeman shows that the abyss and related concepts in Revelation are variously envisioned as the abode of evil creatures the place from which they exit and a prison that holds them captive In all of this John consistently demonstrates that God is in control of the activity of Satan and demonic beings and that their destruction is both planned and certain Original and convincing this volume sheds light on Revelation s message about how God responds to evil and advances our understanding of several interpretive problems related to the abyss and its inhabitants Biblical scholars especially will benefit from Gudeman s research
