Other characters include Shere Khan, the tiger, and Baloo, the bear. The book has been adapted many times for film and other media. The stories were first published in magazines in 1893-94. The original publications contain illustrations, some by the author's father, John Lockwood Kipling. Rudyard Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six and a half years. These stories were written when Kipling lived in Naulakha, the home he built in Dummerston, Vermont, in the United States. 1. There is evidence that Kipling wrote the collection of stories for his daughter Josephine, who died from pneumonia in 1899, aged 6. A rare first edition of the book with a handwritten note by the author to his young daughter was discovered at the National Trust's Wimpole Hall in Cambridgeshire, England, in 2010. **The Writings in Prose and Verse of Rudyard Kipling: Jungle book** Rudyard Kipling, 1897 *The Jungle Book (1894) (Collection of Stories)* by Rudyard Kipling, 2017-01-19 The Jungle Book 1894 is a collection of stories by English author Rudyard Kipling. The JUNGLE BOOK, RUDYARD KIPLING, LARGE 16 Point Print Rudyard Kipling, 2016-06-20 It was seven o'clock of a very warm evening in the Seonee hills when Father Wolf woke up from his day's rest scratched himself yawned and spread out his paws one after the other to get rid of the sleepy feeling in their tips Mother Wolf lay with her big gray nose dropped across her four tumbling squealing cubs and the moon shone into the mouth of the cave where they all lived Augrh said Father Wolf It is time to hunt again He was going to spring down hill when a little shadow with a bushy tail crossed the threshold and whined Good luck go with you O Chief of the Wolves And good luck and strong white teeth go with noble children that they may never forget the hungry in this world It was the jackal Tabaqui the Dish licker and the wolves of India despise Tabaqui because he runs about making mischief and telling tales and eating rags and pieces of leather from the village rubbish heaps But they are afraid of him too because Tabaqui more than anyone else in the jungle is apt to go mad and then he forgets that he was ever afraid of anyone and runs through the forest biting everything in his way Even the tiger runs and hides when little Tabaqui goes mad for madness is the most disgraceful thing that can overtake a wild creature We call it hydrophobia but they call it dewanee the madness and run Enter then and look said Father Wolf stiffly but there is no food here For a wolf no said Tabaqui but for so mean a person as myself a dry bone is a good feast Who are we the Gidur log the jackal people to pick and choose He scuttled to the back of the cave where he found the bone of a buck with some meat on it and sat cracking the end merrily All thanks for this good meal he said licking his lips How beautiful are the noble children How large are their eyes And so young too Indeed indeed I might have remembered that the children of kings are men from the beginning Now Tabaqui knew as well as anyone else that there is nothing so unlucky as to compliment children to their faces It pleased him to see Mother and Father Wolf look uncomfortable Tabaqui sat still rejoicing in the mischief that he had made and then he said spitefully Shere Khan the Big One has shifted his hunting grounds He will hunt among these hills for the next moon so he has told me Shere Khan was the tiger who lived near the Waingunga River twenty miles away He has no right Father Wolf began angrily By the Law of the Jungle he has no right to change his quarters without due warning He will frighten every head of game within ten miles and I I have to kill for two

these days His mother did not call him Lungri the Lamé One for nothing said Mother Wolf quietly He has been lame in one foot from his birth That is why he has only killed cattle Now the villagers of the Waingunga are angry with him and he has come here to make our villagers angry They will scour the jungle for him when he is far away and we and our children must run when the grass is set alight Indeed we are very grateful to Shere Khan Shall I tell him of your gratitude said Tabaqui Out snapped Father Wolf Out and hunt with thy master Thou hast done harm enough for one night I go said Tabaqui quietly Ye can hear Shere Khan below in the thickets I might have saved myself the message Father Wolf listened and below in the valley that ran down to a little river he heard the dry angry snarly singsong whine of a tiger who has caught nothing and does not care if all the jungle knows it The fool said Father Wolf To begin a night's work with that noise Does he think that our buck are like his fat Waingunga bullocks H sh It is neither bullock nor buck he hunts to night said Mother Wolf It is Man The whine had changed to a sort of humming purr that seemed to come from every quarter of the compass

The Second Jungle Book (1895). By: Rudyard Kipling Rudyard Kipling, 2017-01-21 The Second Jungle Book is a sequel to The Jungle Book by Rudyard Kipling. First published in 1895 it features five stories about Mowgli and three unrelated stories all but one set in India most of which Kipling wrote while living in Vermont. Each story is followed by a related poem.

How Fear Came This story takes place before Mowgli fights Shere Khan. During a drought Mowgli and the animals gather at a shrunken Wainganga River for a Water Truce where the display of the blue colored Peace Rock prevents anyone from hunting at its riverbanks. After Shere Khan was driven away by him for nearly defiling the Peace Rock Hathi the elephant tells Mowgli the story of how the first tiger got his stripes when fear first came to the jungle. This story can be seen as a forerunner of the Just So Stories.

The Law of the Jungle poem The Miracle of Purun Bhagat An influential Indian politician abandons his worldly goods to become an ascetic holy man. Later he must save a village from a landslide with the help of the local animals whom he has befriended.

A Song of Kabir poem Letting in the Jungle Mowgli has been driven out of the human village for witchcraft and the superstitious villagers are preparing to kill his adopted parents Messua and her unnamed husband. Mowgli rescues them and then prepares to take revenge.

Mowgli s Song Against People poem The Undertakers A mugger crocodile a jackal and an adjutant stork erroneously referred to as a crane in the story three of the most unpleasant characters on the river spend an afternoon bickering with each other until some Englishmen arrive to settle some unfinished business with the crocodile.

A Ripple Song poem The King s Ankus Mowgli discovers a jewelled object beneath the Cold Lairs which he later discards carelessly not realising that men will kill each other to possess it. Note the first edition of The Second Jungle Book inadvertently omits the final 500 words of this story in which Mowgli returns the treasure to its hiding place to prevent further killings. Although the error was corrected in later printings it was picked up by some later editions.

The Song of the Little Hunter poem Quiquern A teenaged Inuit boy and girl set out across the arctic ice on a desperate hunt for food to save their tribe from starvation guided by the mysterious animal spirit Quiquern. However Quiquern is not what he seems.

Angutivaun Taina poem Red Dog Mowgli s wolfpack is threatened by a pack of rampaging dholes. Mowgli asks Kaa the python to help him formulate a plan to defeat them.

Chil s Song poem The Spring Running Mowgli now almost seventeen years old is growing restless for reasons he cannot understand. On an aimless run through the jungle he stumbles across the village where his adopted mother Messua is now living with her two year old

son and is torn between staying with her and returning to the jungle The Outsong poem Joseph Rudyard Kipling 30 December 1865 18 January 1936 was an English journalist short story writer poet and novelist Kipling s works of fiction include The Jungle Book 1894 Kim 1901 and many short stories including The Man Who Would Be King 1888 His poems include Mandalay 1890 Gunga Din 1890 The Gods of the Copybook Headings 1919 The White Man s Burden 1899 and If 1910 He is regarded as a major innovator in the art of the short story his children s books are classics of children s literature and one critic described his work as exhibiting a versatile and luminous narrative gift Kipling was one of the most popular writers in the United Kingdom in both prose and verse in the late 19th and early 20th centuries Henry James said Kipling strikes me personally as the most complete man of genius as distinct from fine intelligence that I have ever known
