Declaration William Hogeland, 2010-06-01 This is the rambunctious story of how America came to declare independence in Philadelphia in 1776 As late as that May the Continental Congress had no plans to break away from England Troops under General George Washington had been fighting the British for nearly a year yet in Philadelphia a mighty bloc known as reconciliationists led by the influential Pennsylvanian John Dickinson strove to keep America part of the British Empire But a cadre of activists led by the mysterious Samuel Adams of Massachusetts and assisted by his nervous cousin John plotted to bring about American independence Their audacious secret plan proposed overturning the reconciliationist government of Pennsylvania and replacing it with pro independence leaders Remarkably the adventure succeeded The Adams coalition set in motion a startling chain of events in the Philadelphia streets in the Continental Congress and throughout the country that culminated in the Declaration of Independence on July 4 In Declaration William Hogeland brings to vibrant life both the day to day excitement and the profound importance of those nine fast paced weeks essential to the American founding yet little known today He depicts the strange bedfellow alliance the
