Remodel! An Architect's Advice on Home Renovation Greg Gibson, 1996-04-20. By the year 2000, an estimated 180 billion will be spent annually on residential renovations. Here, architect Greg Gibson guides homeowners through the renovation process, showing them how they can manage the process as informed participants. For everything from a small add-on to a complete home renovation, this is the homeowner's guide to staying in control of the project from beginning to end. Photos.

Alternative Clauses to Standard Construction Contracts Nick Jones, S. Gregory Joy, Eugene J. Heady, 2009-01-01. In recent years, there have been many changes to the construction industry's standard form contracts, including the American Institute of Architects' AIA and Engineer Joint Contract Documents Committee's EJCDC documents. Additionally, a new family of contract documents known as

Consensus DOCS was created by agreement among various construction contractor subcontractor owner and surety trade associations Alternative Clauses to Standard Construction Contracts Third Edition provides instant access to amendments to AIA AGC EJCDC and Consensus DOCS for owners architects and contractors This unique resource covers all major documents in use throughout the construction industry and enables you to compare between the different documents It delivers practice proven amendments clause by clause It tells you specifically what to insert and delete in order to reach the ends your client desires And it goes so deep it even covers contractors amendments for agreements with subcontractors While it is absolutely essential to stay current with these standard agreements it is imperative that everyone involved in negotiating and drafting construction contracts also have access to practice proven modifications that strengthen the language on behalf of clients If the other parties to your agreement have access to this book and you don't you're placed at a significant disadvantage every step of the way Let the experts from Smith Currie Hancock provide you with invaluable support when negotiating or drafting construction contracts **Design & Construction Contracts, 1988**, 1988

Documents offers unparalleled insight into the AIA's extensive portfolio of contract documents helping the reader understand the forms and how to implement them. This guide is divided into two parts. Part One, *The AIA Standard Documents*, examines the role of AIA Contract Documents, their history, and how the documents are written and updated. It also reviews the educational and supporting resources that are part of the AIA's contract documents program. Part Two, *The AIA Documents Companion*, describes agreements in detail, including the purpose and rationale for provisions. Separate chapters cover the owner-contractor, contractor-subcontractor, owner-architect, and architect-consultant agreements. The guide concludes with a chapter describing pivotal legal cases that have helped shape and interpret AIA contracts. Samples of the most commonly used contracts are in print in the appendix, and an accompanying CD-ROM has samples of all AIA Contract Documents in PDF format for Mac and PC computers that released in 2007, as well as the Integrated Project Delivery Family of documents that released in 2008. This book is invaluable for construction project owners, attorneys, contractors, subcontractors, design professionals, and others involved in the procurement, management, and delivery of building projects. It is also recommended for students and young professionals seeking a degree, certification, or licensure.
