One thousand questions on the Old Testament, by a teacher ,1855 **One Thousand Questions on the Old Testament, with explanatory introductions to each Book ... By a Teacher. Third edition** ,1858 Biblical Questions. Volume 1, the Old Testament Rudolph George Bandas,1935 NIV, Questions on the Old Testament: Excerpts from The Quest Study Bible Zondervan,2012-03-13 This unique Zondervan Bible Extract is one of three courses taking you quickly into passages every Christian should know In this bite size edition you ll spend two weeks in the Old Testament studying passages from Genesis Exodus 1 2 Samuel 1 Kings Job Psalms Isaiah Daniel and Amos Each daily reading should take only about 10 minutes There are 14 chapters of scripture included You ll also find question based notes that clarify the meaning of the Bible text Would God ever ask us to do wrong Who is God what does He value and how can we approach Him How can God be both a powerful ruler and a gentle shepherd While it does not contain the full Bible it does contain all the verses associated with the Q A on the Old Testament reading plan Bible Workbook Vol. 1 Old Testament Catherine B. Walker,2016-08-07 A need was felt in many high school Bible classes for a method of giving notes and assignment questions quickly thereby leaving more of the valuable classroom time for explanations discussions and student participation This workbook was first compiled to meet that need This workbook has also been used by various age groups in churches and colleges and by individuals desiring a better understanding of God s word This is in no sense a textbook It is hoped that no one will make the completion of the workbook a goal in itself but that the questions and notes may stimulate and guide each

student in searching and knowing the BIBLE The workbook is planned for a high school course which meets every day for a semester The workbook has been effectively used in weekly Adult Bible classes by dividing it into four units of twelve lessons each Because of this limited time in which to cover the Old Testament the problem of what to assign for reading and what to omit looms large By the name of each book or by the questions on the book there are listed suggestive chapters for reading The plan of the course is to study Israel s history chronologically David s and Solomon s writings are fitted in with their lives and the prophets mentioned as they appear in the history of the nation The course is so arranged as to be flexible according to the individual teacher s emphasis Some may wish to end their course without completing the Old Testament history but most teachers feel that a brief glance at the whole is profitable in giving the students a rounded view of God s dealing with His chosen people This book is not primarily for teachers but for students It is factual rather than inspirational The spiritual presentation of the course has been left for each individual teacher to present according to the daily needs of the class It is hoped that the facts and questions may furnish a basis for making many vital applications of the Old Testament to present day living In this second revision the sections on the kingdom period and the poetic books have been enlarged The place of Christ in the Old Testament especially in prophecy has been set forth more clearly There are additional notes in the material bringing ones attention to the progressive unfolding of God s plan of redemption The following words from 1 Timothy 4 12-16 were sent to me at the beginning of my work of Bible teaching May the stimulation this passage must have been years ago to Timothy and more recently to myself be yours also Let no man despise thy youth but be thou an example of the believers in word in conversation in charity in spirit in faith in purity Till I come give attendance to reading to exhortation to doctrine Neglect not the gift that is in thee which was given thee by prophecy with the laying on of hands of the presbytery Meditate upon these things give thyself wholly to them that thy profiting may appear to all Take heed unto thyself and unto the doctrine continue in them for in doing this thou shalt both save thyself and them that hear thee CATHERINE B WALKER
