Quiet, Please

Dispatches from
a Public Librarian

SCOTT DOUGLAS

Quiet Please Dispatches From A Public Librarian English Edition

**Beth St. Jean, Ursula Gorham, Elizabeth
Bonsignore**

Quiet Please Dispatches From A Public Librarian English Edition:

Quiet, Please Scott Douglas, 2010-09-17 A humorist and honest look at a life in public service For most of us librarians are the quiet people behind the desk who apart from the occasional shush vanish into the background But in Quiet Please McSweeney's contributor Scott Douglas puts the quirky caretakers of our literature front and center With a keen eye for the absurd and a Kesey esque cast of characters witness the librarian who is sure Thomas Pynchon is Julia Roberts's latest flame Douglas takes us where few readers have gone before Punctuated by his own highly subjective research into library history from Andrew Carnegie's Gilded Age to today's Afghanistan Douglas gives us a surprising and sometimes hilarious look at the lives which make up the social institution that is his library This 10th Anniversary Edition includes nearly 100 pages of added content including a new forward and afterward

Understanding Human Information Behavior Beth St. Jean, Ursula Gorham, Elizabeth Bonsignore, 2021-03-25 This introductory textbook aims to provide undergraduate students in information science and related disciplines with an applied grounding in information behavior The book's primary focus is to provide explicit links between information behavior and the careers that students will pursue within the information professions With a deeper understanding of information behavior students will be better equipped to address the many types of barriers that frequently prevent people from effectively and efficiently accessing understanding managing and or using the information they need in the real world The first six chapters of the book provide students with the fundamental building blocks of information behavior introduce them to important related concepts and provide a deep dive into information literacy digital literacy the digital divide and digital inclusion Chapters 7 through 12 introduce students to the scholarly communication system providing guidance on how to find read and critically evaluate information behavior studies Also explored in these chapters are the various methods used to investigate and understand people's information behaviors Topics covered include research design research methods research ethics user needs assessment and human computer interaction and associated design methods This part of the book also covers some of the major information behavior models and theories that have been developed to describe predict and or explain people's information behaviors In chapters 13 through 16 the authors provide an in depth look into their own information behavior research areas including consumer health information behavior and health justice youth information behavior legal information behavior and access to justice and information behavior in libraries In the final chapter students are first introduced to a wide range of careers within the information professions and then taken along on a deep dive into 10 specific jobs with a special focus on the thread of information behavior that pervades the roles and responsibilities commonly associated with these positions Each chapter begins with one or more scenarios illustrating concepts covered in the chapter and ends with discussion questions

The Librarian's Book of Lists George M. Eberhart, 2010-05-10 The mixture of serious topics tongue in cheek items and outright silliness provides something to please everyone familiar with libraries making a fun read and a wonderful gift

The Laughing Librarian Jeanette C.

Smith,2014-01-10 Despite the stodgy stereotypes libraries and librarians themselves can be quite funny The spectrum of library humor from sources inside and outside the profession ranges from the subtle wit of the New Yorker to the satire of Mad This examination of American library humor over the past 200 years covers a wide range of topics and spans the continuum between light and dark from parodies to portrayals of libraries and their staffs as objects of fear It illuminates different types of librarians the collector the organization person the keeper the change agent and explores stereotypes like the shushing little old lady with a bun the male scholar librarian the library superhero and the anti stereotype of the sexy librarian Profiles of the most prominent library humorists round out this lively study **Quiet, Please** Douglas

Scott,2016-05-12 An unexpectedly raucous and illuminating memoir set in a Southern California public library For most of us librarians are the quiet people behind the desk who apart from the occasional shush vanish into the background But in Quiet Please McSweeney s contributor Scott Douglas puts the quirky caretakers of our literature front and center With a keen eye for the absurd and a Kesey esque cast of characters witness the librarian who is sure Thomas Pynchon is Julia Roberts s latest flame Douglas takes us where few readers have gone before Punctuated by his own highly subjective research into library history from Andrew Carnegie s Gilded Age to today s Afghanistan Douglas gives us a surprising and sometimes hilarious look at the lives which make up the social institution that is his library **Life Stories** Maureen

O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books **Organic Christian** Scott Douglas, Faith is a dish

best served organically You eat your food organically do you live your faith in the same organic way Join author Scott Douglas as he takes you on a journey to understand what it means to follow Christ and what it means to have a personal relationship with Jesus You ll be surprised by how much you ll laugh growing in faith Inside you ll learn about why bad things could possibly happen to good people how God wants us to pray what it means to love our enemies does God want you to be crazy and so much more Whether you are a new Christian old Christian or not even sure if you believe in Christianity this book will have you rethink your belief and help you grow in your relationship with God The agenda here isn t to preach you a

certain kind of Christianity rather to help you know God deeper how that looks for you will probably be different from others who read the book

Going Mobile Scott La Counte, 2012 Patrons increasingly expect access to their libraries anywhere anytime This Special Report provides practical guidance in how librarians can put the library in the palms of their patrons hands Using the HTML skills that many librarians already have along with flexible development tools technology expert La Counte shows how creating a customized mobile app doesn't need to be expensive or require deep expertise In straightforward practical terms he Demonstrates how to establish a presence on the mobile web with mobile websites and phone apps Details open source development tools such as PhoneGap that allow for the creation of mobile apps that work on a variety of mobile operating systems with emphasis on the iPhone Discusses methods for assessing a library's user base and getting buy in from administrators Following the pointers in this Special Report libraries can easily go wherever their patrons do

Consider the Ostrich Scott Douglas, 2023-06-01 We all know the story of creation in the Bible In the beginning God created But what if creation isn't where things started Not in the Bible anyway What if the first book of the Bible wasn't about creation it was about pain Scholars have debated for years about what the first book of the Bible really is Most have concluded that the Book of Job was probably the first book written Think about that what if the message God wanted us to receive wasn't about how we were created but what to do when life gets bad Being a Christian means happiest Joy It means you get that white picket fence and have friends that bring you companionship Hardship and spiritual warfare may be words that Christians know but it's not exactly something we talk about Job is a complicated and messy story because it addresses the elephant in the giant room that is Christianity that believing in God doesn't mean happiness Or wealth Or even goodness Job is a story that teaches us an ugly truth about what we believe that things aren't always better on the other side of the mountain that good things don't always happen to good people and that sometimes life is just messed up Most people know the story of Job He's the guy who had bad things happen to him But we often look to the story as more a Sunday school fairytale Sure it's believable But we often look at it as a moral tale about a guy who had it all taken away There's more to it than that Rarely do we study it to find out what God is trying to teach us The lesson here is deep and one every believer should hear

Lazarus of Bethany Scott Douglas, 2021-07-15 Discover the true miracle of Lazarus being raised from the dead Lazarus is an amazing story A man rose from the dead You just don't get any more awesome than that right So that's it then That's what we are supposed to learn from his resurrection right Not exactly Jesus performed lots of miracles John said it best when he said that there would not be room in the whole world to describe all that he did It's easy to look at the stories of miracles and see them for what they're worth miracles But that's a shame If the miracle is in the Bible there's a reason for it It's not just there because it was miraculous With Lazarus a man rose from the dead an amazing miracle no doubt But there's more to it than that There's a lesson to be learned Lazarus wasn't just a man who raised from the dead he had a life before and after his resurrection And Jesus didn't perform the miracle just to be flashy

This is likewise one of the factors by obtaining the soft documents of this **Quiet Please Dispatches From A Public Librarian English Edition** by online. You might not require more get older to spend to go to the books inauguration as skillfully as search for them. In some cases, you likewise get not discover the notice Quiet Please Dispatches From A Public Librarian English Edition that you are looking for. It will extremely squander the time.
