
INTRODUCTION

1993 Forward Control Chassis Owner's Manual

Welcome

This manual was prepared to acquaint you with the operation and maintenance of your 1993 GMC Chassis, and to provide important safety information. Included is a GMC Truck Maintenance Schedule. There is also a Warranty and Owner Assistance Information Booklet. In some vehicles, there can be information manuals from other manufacturers like body builders or special equipment companies. We urge you to read all these publications carefully. This will help you enjoy the safe and trouble-free operation of your vehicle.

When it comes to service, keep in mind that your GMC Truck dealer knows your vehicle best and is interested in your complete satisfaction. Your dealer invites you to return for all of your service needs both during and after the warranty period.

Remember, if you have a concern and need help handling it to your satisfaction, see the procedure in the GMC Truck Warranty and Owner Assistance Information booklet.

Thanks for choosing a GMC chassis product. We value you as a member of the GMC Truck family. We want to assure you of our continuing interest in your pleasure and satisfaction with your vehicle.
