

QUILT PATTERN BOARD INSTRUCTIONS - OVERVIEW

Note: The following instructions apply to all quilt pattern boards except those listed on pages 2-4. If you do not see your pattern board pictured, please see the instructions below.

General Set-Up

1. Load your quilt on your frame.
2. Attach the Adaptive Plate and Stylus Holder to the front of the Baby Lock footed as directed in the Adaptive Plate instructions.

3. Position pattern boards on frame table while standing at the back of your frame.
4. For continuous patterns, press elevation rings into slots to connect templates.
5. If you are doing a single block design, such as the Spiral, Wave, Heart, Wreath or Circular Wreath, make sure that when following the next steps, you will be connecting your pattern with your quilt block.

6. Determine the width of the quilt. Position the design at the edge of the quilt on level space for a border.

7. Measure and mark a continuous of your quilting area on the quilt and its the space on your pattern boards.
8. Decide how many repeats of the design you will have on both sides of your quiltline.
9. Now, put your machine's needle over the centerline on the quilt and move the pattern boards to the right to directly on the centerline of the boards.
10. Based on quantity of pattern boards, calculate and mark the number of times the boards need to be repositioned. Move boards to the right.
11. Secure the pattern boards against the wall of the frame.
12. If you are quilting from right to left, move your boards and machines to start on the far right of the pattern. Be sure to follow your number of repeats.
13. Drop the stylus tip into the groove. Push stylus head into groove of pattern board and compress stylus tip about halfway. This will account for an uneven mark and ensure that your stylus doesn't move away from groove.

14. When stylus is in desired place, hold the stylus and lift the stylus holder away on the side of the stylus holder. The stylus can then be disengaged by pulling up and rotating the L-shaped handle on the stylus. This allows you to quickly switch from doing patterns to free-handing your quilt.
