Cheating Death Kenneth M. Valentine, 2024-04-16 Everyone and I mean everyone will give you advice on which way to go with your life Friends acquaintances classmates teammates your friends friends family teachers counselors and neighbors will nose into your business They will want to help you with everything from how to dress to how to act They will tell you what and where to eat where to go and what to do Before you know it your whole life will be planned out for you by someone else If you are susceptible to influencers choose your influences wisely Not all advisors or advice is equal In fact some of the advice coming your way courtesy of well meaning friends or family may be downright awful Truly wise and useful advice will come from very few The world will give you the same crummy advice it gives everyone Get fame Pursue fortune More is better The world consistently perpetuates the lie that fame and fortune will make you happy The world lies Fame and fortune will not fill the void in our heart that was designed to be occupied by Christ Only God can fill that God shaped space within us The world keeps trying and people keep following the siren song down the wide path to happy destruction Happy is hard to define I have determined that Happy is an elusive place All of the world s unfulfilled and dissatisfied people will call you to the same wide path life plan they followed and expect a different result I challenge you to take the narrow road I urge you to trust in the Lord in all your decision making

Making the Soldier Decisive on Future Battlefields National Research Council, Division on Engineering and Physical Sciences, Board on Army Science and Technology, Committee on Making the Soldier Decisive on Future Battlefields, 2013-05-10 The U S military does

not believe its soldiers sailors airmen and marines should be engaged in combat with adversaries on a level playing field Our combat individuals enter engagements to win To that end the United States has used its technical prowess and industrial capability to develop decisive weapons that overmatch those of potential enemies In its current engagement what has been identified as an era of persistent conflict the nation s most important weapon is the dismounted soldier operating in small units Today s soldier must be prepared to contend with both regular and irregular adversaries Results in Iraq and Afghanistan show that while the U S soldier is a formidable fighter the contemporary suite of equipment and support does not afford the same high degree of overmatch capability exhibited by large weapons platforms yet it is the soldier who ultimately will play the decisive role in restoring stability Making the Soldier Decisive on Future Battlefields establishes the technical requirements for overmatch capability for dismounted soldiers operating individually or in small units It prescribes technological and organizational capabilities needed to make the dismounted soldier a decisive weapon in a changing uncertain and complex future environment and provides the Army with 15 recommendations on how to focus its efforts to enable the soldier and tactical small unit TSU to achieve overmatch
