points at the end of each chapter for easy reference when negotiators are in the field and a review of the literature since the last edition appeared. Their discussion of the strategic planning process involved in high risk negotiation incidents focuses clearly on the critical questions negotiators need to ask themselves about any high risk incident and provides a practical approach to the psychology of individuals that engage in high risk incidents. Known as the bible to experienced professionals in the field, this sixth edition of *Crisis Negotiations* is vital for practitioners as well as for criminology, criminal justice, or psychology courses in crisis management, applied psychology, and special operations in law enforcement and corrections. Instructors will find it well supported by ancillary materials including discussion questions, slide presentations, and a test bank, as well as case studies and self assessment quizzes for students, making it easy to develop a first time course or to integrate it into an existing course.
