Rccg School Of Disciples Manual:

Nigerian Pentecostalism and Development Richard Burgess, 2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region

A New Paradigm of Pentecostal Power Asonzeh F. K. Ukah, 2008 Ukah describes with great historical and sociological incisiveness one of the prime movers of this transformation the Redeemed Christian Church of God RCCG which has more than 10 000 congregations in more than 80 countries around the world

practical ways of living for the Lord daily in a digital age It is a discovery a talent hunt that laces traditional discipleship blueprints with the reality of today's demanding moments of technology and Internet It uses the basic tenets of discipleship to model the Christian man's approach to life in the face of our changing culture it emphasizes the need for mentoring training and sustainable weaning and learning in the wake of Christian engagement without due process to ministry assignment

Holy Ghost School Series - Understanding God's Secret Place Anna A. Ahamofe, 2019-12-27 This little book is a collection of messages on Discipleship Training in Holy Ghost School recorded at Right hand of the LORD Fellowship Egbe Lagos Nigeria It happened that I was discipled by two ministers of God Rev Josiah Hizkiah of Unfailing Life Ministries and Prophet Lambert Eze Okafor of LaFAMCALL End Time Ministries After this I forgot about the training and continued in my former method of ministration as I could not pick up the teaching immediately It was at this juncture of stalemate or deadlock that the LORD quickened me one day to start on the teaching on Holy Ghost Discipleship by faith that the inspiration came to start putting down in writing as the LORD started to help me along After a considerable number of lessons the directive came from the LORD to compile the messages into a leaflet for discipling members of the fellowship Before now our mandate or area of operation was directed towards intercession for Gospel Ministers in terms of Cash Kind and Prayers Actually the era of rendering help to men and women of God had come and gone and lasted for two and half years and the LORD closed that specific door At the time the discipleship started I was instructed to open the door to allow all categories of persons come into the fellowship Initially a period was devoted to training people specially until the LORD again expanded the assignment to putting the messages into a booklet as you now have in your hand His instruction came like this That it is not possible for all those that desire this training to come to our fellowship to be taught and so there should be a compilation of the messages into booklet in order to be added to other end time books for clearer understanding on admission and progress in Holy Ghost School So we commend the messages to you with hope that this new move of God's new wine Ark of Safety will really thrill you and protect you from the future spiritual and physical tsunami that shall be in no distant time in Jesus Holy Name Ephesians 3:6 was God's message given to me at covenant time as a sign of my commission to discipleship training program Study and be blessed Please note that before these messages were delivered the fellowship was trained by the LORD to sing beautiful hymns to praise and exalt His Holy Name which now we also advise you Anna A. Ahamofe Bishop

Discipleship Training Charles Lake, Robert E. Stiles, 1992 *The Disciples Manual* Paige Michael Williams, 2024-06-12 True discipleship is rare and is a precious jewel in the times we live in Discipleship is costly and requires discipline to do it successfully This is why many forfeit its calling and choose rather to only believe in Christ casually But there is a remnant and a generation of believers who are willing to pay the price of discipleship for the privilege of walking close to Jesus Christ This closeness in relationship with Him is their prize and they will give up everything to keep it I believe if you are reading this book you are one of them Jesus calling to his disciples over two thousand years ago is still the same
