Robert Kirkman's The Walking Dead: Descent Jay Bonansinga, Robert Kirkman, 2014-10-14 Written by Jay Bonansinga based on the original series created by Robert Kirkman The Walking Dead Descent follows the events of The Fall of the Governor and Lilly Caul's struggles to rebuild Woodbury after the Governor's shocking demise Out of the ashes of its dark past Woodbury Georgia becomes an oasis of safety amidst the plague of the walking dead a town reborn in the wake of its former tyrannical leader Philip Blake aka The Governor Blake's legacy of madness haunts every nook and cranny of this little walled community but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past despite the fact that a super herd is closing in on them This vast stampede of zombies driven by inexorable hunger and aimed directly at Woodbury becomes their first true test But Lilly and company refuse to succumb and in a stunning counteroffensive the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness Led by an enigmatic preacher named Jeremiah this roque church group seems tailor made for Woodbury and Lilly s dream of a democratic family friendly future The two factions meld into one the town prospers and everything seems hopeful for the first time since the plague broke out But things especially in the world of the walking dead are often not what they seem Jeremiah and his followers harbor a dark secret the evidence of which very gradually begins to unravel Along with a popular TV show also based on Kirkman's AMC comic books The Walking Dead franchise is just getting better and better with Bonansinga's newest novel In a stunning and horrifying finale the world for Lilly and her close friends is turned upside down and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate These novels continue to be a great companion for fans of the television series and graphic novels Robert Kirkman Terrence R. Wandtke, 2021-07-29 Robert Kirkman b 1978 is probably best known as the creator of The Walking Dead The comic book and its television adaptation have reinvented the zombie horror story transforming it from cult curiosity and parody to mainstream popularity and critical acclaim In some ways this would be enough to justify this career spanning collection of interviews Yet Kirkman represents much more than this single comic book title Kirkman's story is a fanboy's dream that begins with him financing his irreverent independent comic book Battle Pope with credit cards After writing major titles with Marvel comics Spider Man Captain America and X Men Kirkman rejected companies like DC and Marvel and publicly advocated for creator ownership as the future of the comics industry As a partner at Image Kirkman wrote not only The Walking Dead but also Invincible a radical reinvention of the superhero genre Robert Kirkman Conversations gives insight to his journey and explores technique creativity collaboration and the business of comics as a multimedia phenomenon For instance while continuing to write genre based comics in titles like Outcast and Oblivion Song Kirkman explains his writerly bias for complex characters over traditional plot development As a fan turned creator Kirkman reveals a creator s complex relationship with fans in a comic con era that breaks down the consumer producer dichotomy And after rejecting company
