Rolling Along With Goldilocks And The Three Bears:

Rolling Along with Goldilocks and the Three Bears Cindy Meyers,1999 Once upon a time there were three bears a great big papa bear a middle sized mama bear and a baby bear who used a wheelchair to get around They lived in the forest in a house that had ramps instead of steps for baby bear So begins this perennial favourite children s story with a special needs twist This story unfolds with many of the familiar scenes of the classic tale and ends on a hopeful note Here Baby Bear uses a wheelchair goes to physical therapy and ultimately makes friends with Goldilocks Lively full colour illustrations help to tell this heartwarming story Young readers with a physical disability will be delighted to discover that Baby Bear is like them and will want to share the book with classmates and friends Physical therapists and teachers will also find *Rolling Along with Goldilocks and the Three Bears* a useful and empathetic story to read to children and recommend to families *Folktales Retold* Amie A. Doughty,2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with *A Guide to High School Success for Students with Disabilities* Cynthia Ann Bowman,Paul T. Jaeger,2004-10-30 Written for young people with disabilities and the people who care for and educate them this unique resource offers both inspiration and advice to help disabled teenagers successfully meet the special social and academic challenges of high school and to find their paths into the future Compiling a wealth of expertise on a range of issues in high school and all the accompanying major life events this edited volume offers guidance support experience and encouragement providing everything from explanation of legal rights to guidance on effective study habits Through the voices of disabled students and their teachers and family members the book provides insights into the internal dilemmas that students face as well as problems they may encounter in the classroom at home and in society This book is written to offer tools that empower students with disabilities face their challenges while providing educators family members and friends insights into issues these students may encounter during their high school years Every high school teacher administrator counselor and librarian should familiarize themselves with the issues explored on these pages The book is divided into five topical sections that each addresses a set of related issues Section I provides a history of disabilities across different times and cultures and a discussion of the legal rights of students with disabilities

Section II discusses the cultural and social issues disabled teens face in modern society and looks at representations in film and literature Section III is devoted to the many interactions and relationships faced in high school including dating socialization and extracurricular activities Section IV addresses issues related to academic success and the concluding chapter offers tools for advocacy and empowerment Appendices complete this multi faceted volume with lists of additional readings and on line resources for students with disabilities
