comes the moving story of Janusz Korczak the heroic Polish Jewish doctor who devoted his life to children perishing with them in the Holocaust Janusz Korczak was more than a good doctor He was a hero The Dr Spock of his day he established orphanages run on his principle of honoring children and shared his ideas with the public in books and on the radio He

famously said that children are not the people of tomorrow but people today Korczak was a man ahead of his time whose work ultimately became the basis for the U N Declaration of the Rights of the Child Korczak was also a Polish Jew on the eve of World War II He turned down multiple opportunities for escape standing by the children in his orphanage as they became confined to the Warsaw Ghetto Dressing them in their Sabbath finest he led their march to the trains and ultimately perished with his children in Treblinka But this book is much more than a biography In it renowned nonfiction master Albert Marrin examines not just Janusz Korczak s life but his ideology of children that children are valuable in and of themselves as individuals He contrasts this with Adolf Hitler s life and his ideology of children that children are nothing more than tools of the state And throughout Marrin draws readers into the Warsaw Ghetto What it was like How it was run How Jews within and Poles without responded Who worked to save lives and who tried to enrich themselves on other people s suffering And how one man came to represent the conscience and the soul of humanity Filled with black and white photographs this is an unforgettable portrait of a man whose compassion in even the darkest hours reminds us what is possible An Iron Wind Peter Fritzsche, 2016-10-25 A vivid account of German occupied Europe during World War II that reveals civilians struggle to understand the terrifying chaos of war In An Iron Wind prize winning historian Peter Fritzsche draws diaries letters and other first person accounts to show how civilians in occupied Europe tried to make sense of World War II As the Third Reich targeted Europe s Jews for deportation and death confusion and mistrust reigned What were Hitler s aims Did Germany s rapid early victories mark the start of an enduring new era Was collaboration or resistance the wisest response to occupation How far should solidarity and empathy extend And where was God People desperately tried to understand the horrors around them but the stories they told themselves often justified a selfish indifference to their neighbors fates Piecing together the broken words of the war s witnesses and victims Fritzsche offers a haunting picture of the most violent conflict in modern history **Days of Remembrance, April 18-25, 1993** ,1993 Introduces the history of Jewish holocaust and provides information on planning commemorative programs
