Notes of a War Correspondent Richard Harding Davis, 2006-10 Work from the popular writer of fiction and drama journalist war correspondent and editor of *Harpers Weekly* *Notes of a War Correspondent* Richard Harding Davis, 2022-12-08 Reproduction of the original *Notes of a War Correspondent* Richard Harding Davis, 2015-02-24 So even when the men were formed into three sides of a hollow square they were scarcely able to distinguish one another in the uncertain light of the morning There were about three hundred soldiers in the formation They belonged to the volunteers and they deployed upon the plain with their band in front playing a jaunty quickstep while their officers galloped from one side to the other through the grass seeking a suitable place for the execution Outside the line the band still played merrily A few men and boys who had been dragged out of their beds by the music moved about the ridges behind the soldiers half clothed unshaven sleepy eyed yawning stretching themselves nervously and shivering in the cool damp air of the morning Notes of a War Correspondent Richard Harding Davis, 2021-11-21 Notes of a War Correspondent by Richard Harding Davis Notes of a War Correspondent Richard Harding Davis, 2020-02-03 I am going to try to describe some kits and outfits I have seen used in different parts of the world by travellers and explorers and in different campaigns by army officers and war correspondents Among the articles the reader may learn of some new thing which when next he goes hunting fishing or exploring he can adapt to his own uses That is my hope but I am sceptical I have seldom met the man who would allow any one else to select his kit or who would admit that any other kit was better than the one he himself had packed It is a very delicate question The same article that one declares is the most essential to his comfort is the very first thing that another will throw into the trail
