Lindy Heinecken

S A N D F Application For 2014 Matriculants:

Military Social Work Around the Globe Mary Ann Forgey, Karen Green-Hurdle, 2022-11-14 This is the first book to focus on the scope of social work practice within military settings from an international perspective and therefore addresses what has been a significant gap in the literature Given the critical support needs of military personnel and their families worldwide and the expanding role of social work in responding to these needs this book offers a comprehensive global understanding of the common military social work MilSW practices with active duty military service members and their families as well as the forms of practice and approaches that are unique or potentially transferable across nations Based on a systematic inquiry conducted by the Editors there are at least 25 countries that have social workers working directly within their country's military in either a civilian or uniformed capacity or both This book includes contributions from experts in Australia Canada Denmark Finland Ireland Israel the Netherlands New Zealand South Africa the UK and the USA who describe various aspects of the MilSW role within their country and the research that informs what military social workers do The MilSW similarities and differences among these countries are highlighted including developmental milestones practice settings practice orientation and approach ethical dilemmas military to veteran transition support and past and current challenges Experts from countries that do not yet have MilSW but are interested in developing it Japan Ukraine or are in the process of establishing this area of practice Slovakia also contribute chapters about these developments and the evidence base that supports this direction *Military Social Work Around the Globe* is a valuable resource for social work programs and essential reading for instructors and students in MilSW electives and specializations It is also pertinent reading for occupational social work and international social work courses In addition this book is an important source of information for military social workers who would like to gain insights into existing programs and the possibilities for international collaboration and for countries interested in developing MilSW

South Africa's Post-Apartheid Military Lindy Heinecken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994 In South Africa's changed political state how has civilian control of the military been implemented and what does this mean for defence in a democracy This book presents an overview of the security environment how the mission focus of the military has changed and the implications for force procurement force preparation force employment and force sustainability The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force the effect of affirmative action on meritocracy recruitment and retention military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged HIV AIDS and the consequences this holds for the military in terms of its operational effectiveness In closing the author highlights key events that have caused the SANDF to become lost in

transition and transformation spelling out some lessons learned The conclusions she draws are pertinent for the future of defence security and civil military relations of countries around the world
