MSDS BACKGROUND

The South African Army, through its Military Skills Development System (MSDS), is offering young South African citizens an opportunity to serve in uniform on a two-year contract. The Recruits will receive military training and further functional training in their first year of service. During the second year of service, depending on the duration of the functional orientation, they will be deployed where needed and given opportunity to apply their knowledge and develop their skills.

General Requirements:

- RSA Citizen (No dual citizenship).
- 18 – 22 years of age (Gr 12)
- 18 - 26 (3 years Tertiary Qualification) when reporting.
- Successfully completed Grade 12 (Level 4 - Mathematics and Science will be advantageous).
- Admission Point Score (APS) Score of 17 and above excl Life Orientation (LO).
- Have no criminal record or pending cases.
- Comply with medical fitness requirements for the appointment.
- No Visible tattoos (Legs, Lower Arm, Neck, and Face).
- Physical Fitness Test will be conducted during selections.

Candidates applying for Music must have successfully completed Grade 12 (18 to 22 years) and a tertiary qualification (18 to 26 years) and completed at least Grade 6 practical Music Qualification. Furthermore, they must be able to play an approved musical instrument and be able to read music fluently.

Other Requirements

- Minimum height Females 148cm, Males 155cm and Minimum weight Females 48kg, Males 52kg (Within average height/weight ratio).
- Applicants will be subjected to drug testing, fitness, Psychometric and medical evaluation, verification of Criminal record, prescreening and verification of Qualifications.

Sa Army Application Forms:

South Africa and United Nations Peacekeeping Offensive Operations Antonio Garcia, 2018-08-17 The creation of the Force Intervention Brigade FIB as the sharp tactical edge of the United Nations Stabilisation Mission in the Democratic Republic of the Congo MONUSCO tasked with the neutralising of armed groups was a watershed moment in the history of modern peace missions What was more significant was that sub Saharan national leaders were instrumental in the creation of the FIB South Africa Tanzania and Malawi but lacked the resources to deploy such a force and consequently the brigade was deployed under the banner of the UN With the legacy of an African Renaissance and its role in the conception of the FIB South Africa remains a critical player in international peace and security in sub Saharan Africa and therefore holds a key strategic role in achieving the FIBs objectives This comes at a critical time where blue helmets are increasingly exposed to complex and challenging security contexts The aim of this work is to provide a conceptual model for South African military future operations and UN offensive peacekeeping operations In this undertaking a layer of military and Clausewitzian theory is added to offensive peacekeeping operations Furthermore there are sections on operational constructs capstone and operating concepts doctrine and structural elements as well a section on mine action This book contributes towards an understanding of the nature of modern strategy through the lens of UN offensive peacekeeping operations and provides insights into operational challenges South African Army Vision 2020 Len Le Roux, 2007 **South Africa, 1899-1902, officers and men of the army and navy mentioned in despatches** Army and navy gazette, 1902 **Army of Evil** Adrian Weale, 2013-09-03 In Nazi Germany they were called the Schutzstaffeln The world would know them as the dreaded SS the most loyal and ruthless enforcers of the Third Reich It began as a small squad of political thugs Yet by the end of 1935 the SS had taken control of all police and internal security duties in Germany ranging from local village gendarmes all the way up to the secret political police and the Gestapo Eventually its ranks would grow to rival even Germany's regular armed forces the Wehrmacht Going beyond the myths and characterizations Army of Evil reveals the reality of the SS as a cadre of unwavering political fanatics and power seeking opportunists who slavishly followed an ideology that disdained traditional morality an ideology that they were prepared to implement to the utmost murderous extreme which ultimately resulted in the Holocaust This is a definitive historical narrative of the birth legacy and demise of one of the most feared political and military organizations ever known and of those twisted cruel men who were responsible for one of the most appalling crimes against humanity in history INCLUDES RARE PHOTOGRAPHS **Army, Navy, Air Force Journal & Register**, 1944 **Salut**, 1994 *Army Reserve Magazine*, 1994 *South African Digest*, 1978 **A Military History of Modern South Africa** Ian van der Waag, 2018-03-14 The story of a century of conflict and change from the Second Boer War to the anti apartheid movement and the many battles in between Twentieth century South Africa saw continuous often rapid and fundamental socioeconomic and political change The century started with a brief but total war Less than ten years later Britain brought

the conquered Boer republics and the Cape and Natal colonies together into the Union of South Africa The Union Defence Force later the SADF was deployed during most of the major wars of the century as well as a number of internal and regional struggles the two world wars Korea uprising and rebellion on the part of Afrikaner and black nationalists and industrial unrest The century ended as it started with another war This was a flash point of the Cold War which embraced more than just the subcontinent and lasted a long thirty years The outcome included the final withdrawal of foreign troops from southern Africa the withdrawal of South African forces from Angola and Namibia and the transfer of political power away from a white elite to a broad based democracy This book is the first study of the South African armed forces as an institution and of the complex roles that these forces played in the wars rebellions uprisings and protests of the period It deals in the first instance with the evolution of South African defense policy the development of the armed forces and the people who served in and commanded them It also places the narrative within the broader national past to produce a fascinating study of a century in which South Africa was uniquely embroiled in three total wars *Army Orders* Great Britain. War Office, 1925
