The Ten Commandments Timothy S. Hogue, 2023-09-28 The Decalogue commonly known as the Ten Commandments is usually analysed as a text Within the Hebrew Bible however it is depicted as a monument an artifact embedded in rituals that a community uses to define itself Indeed the phraseology visual representations and ritual practices of contemporary

monuments used to describe the Ten Commandments imbue them with authority In this volume Timothy Hogue presents a new translation commentary and literary analysis of the Decalogue through a comparative study of the commandments with inscribed monuments in the ancient Levant Drawing on archaeological and art historical studies of monumentality he grounds the Decalogue s composition and redaction in the material culture and political history of ancient Israel and ancient West Asia Presenting a new inner biblical reception history of the text Hogue s book also provides a new model for dating biblical texts that is based on archaeological and historical evidence rather than purely literary critical methods

The Way, The Truth, and The Life Pablo H. Solutin, Many of us believe or being made to believe that the Bible is the complete and inerrant word of God As far as completeness is concerned that is not what the Bible is saying in John 21:25 of the New Testament It says that if all the works of the Son of God were written even the world cannot contain all the writings So the Bible itself honestly admits its own incompleteness As far as the Bible s being inerrant there are obvious errors in the English versions of today The books in the Bible were originally written in Hebrew in ancient time There have been a lot of changes in the Hebrew language at the time of the translation to Latin and Greek That means the understanding of the translator could be affected by the culture of that time For example the Hebrew letters in ancient times were written in pictograph The letter hey for example is drawn like a man with arms raised The letter yad is drawn like a hand The word hayah still means exist today as in ancient times But in ancient times it is drawn as a man with arms raised a hand and a man with hands raised There is strong reason to believe that the word has something more profound to say in ancient times That is lost in the Hebrew language at the time of the translation Another example is the use of us and our in God s statement in Genesis chapter one Who was God talking to This is due to the fact that the word God was translated from the Hebrew word Elohim which is plural The singular is Eloha It is very obvious that the translation was influenced by the preconceived one god idea of the translator That renders the texts seemingly inconsistent Christian churches make their followers believe that their teachings and practices are consistent with what the Bible says This is not true most of the time Some even contradict the Bible

Subtle Annihilation: How To Survive The Ongoing Genocide? Pablo H. Solutin, 2020-06-11 There is a river of living water that flows from the Father in Heaven through His Son our beloved Saviour This living water raises us from the dust and makes us alive The enemy of life however has dropped bits of poison that make us love death more than God We think we sincerely love God We do not know how sincerely wrong we are The great deceiver is leading many into the wide gate to hell God is calling His people and those who are willing to listen to enter the narrow gate that leads to the kingdom

The Path II Howard S. Simmons, 2020-11-23 This book The Path II is the second book in a series of books exploring the biblical path of righteousness In this book we explore the traditions followed by today s religious institutions and the true worship declared by Jesus The Christ of the only True Living God God Almighty wants all of us to enter His kingdom He gave us all free will that we may choose whether we will enter His kingdom Each of us is accountable for our own salvation We have no one to

blame but ourselves if we fall short and cannot enter the beautiful kingdom of the Lord God Almighty We also explore the little horn power spoken of by Daniel the prophet and the little horn's futile efforts to change times and laws of God Almighty Let us all humble ourselves and get rid of all unrighteousness for Jesus the Christ is returning soon *The Holocaust's Jewish Calendars* Alan Rosen, 2019-02-28 The most comprehensive to date treatment of these precious artifacts of the Holocaust's Jewish efforts to maintain religious observations and identity Choice Calendars map time shaping and delineating our experience of it While the challenges to tracking Jewish conceptions of time during the Holocaust were substantial Alan Rosen reveals that many took great risks to mark time within that vast upheaval Rosen inventories and organizes Jewish calendars according to the wartime settings in which they were produced from Jewish communities to ghettos and concentration camps The calendars he considers reorient views of Jewish circumstances during the war and show how Jews were committed to fashioning traditional guides to daily life even in the most extreme conditions In a separate chapter moreover he elucidates how Holocaust era diaries sometimes served as surrogate Jewish calendars All in all Rosen presents a revised idea of time continuity the sacred and the mundane the ordinary and the extraordinary even when death and destruction were the order of the day Rosen's focus on the Jewish calendar the ultimate symbol of continuity as weekday follows weekday and Sabbath follows Sabbath sheds new light on how Jews maintained connections to their way of conceiving time even within the cauldron of the Holocaust Rosen demonstrates the relationship between time and meaning between meaning and holiness between holy days and the divine presence all of which came under assault in the Nazis effort to kill Jewish souls before destroying Jewish bodies David Patterson author of *Along the Edge of Annihilation The Collapse and Recovery of Life in the Holocaust Diary* **The Last Generation, the Rapture, and the Wrath** Sunday Olusola Faluyi, 2013-11-22 The generation that witnesses the restoration of Israel in 1948 will not pass away until all things revealed to John in the book of Revelation is fulfilled Jesus Christ predicted a movement for global peace in the first seal and a horse rider that will take away peace from the earth in the second seal He predicted global economic crisis in the third seal and World War III in the fourth seal In the fifth seal he revealed the severe persecution that is coming upon his followers and the great tribulation that is coming upon the Jews Jesus also predicted the resurrection of the saints and a terrible war that will be fought in the Middle East in a place known as Armageddon In the seventh vial of judgment he warned of an earthquake that will be the greatest in the history of humanity While many seers have predicted future events none can be compared with the authority and finality with which Jesus prophesied about the events that are happening and that will continue to happen within the next two decades Wisdom demands that we pay attention to the word of this Man from Galilee
