Select Notes on the International Sabbath School Lessons Francis Nathan Peloubet, 1877 **The Battle for Your Heart** Ronald W. Busby, I am encouraged by the author's appeal from the beginning to the end of his book for readers to be aware of their personal relationship with Christ Dr Busby shows throughout that God's prophecies and promises found fulfillment in a history I can check for myself That being true for the past I can also rest assured that what God has promised and predicted for the future will happen without fail in His own time and way Rhoda Wills Retired Teacher Dr Busby's *The Battle for Your Heart* is not only a good read but an excellent book to add to your library Whether you've studied the book of Revelation for many years or have never given it your personal study this thought provoking verse by verse walk through Revelation's 22 chapters includes not only details you may have missed in your earlier studies but adds a big picture dimension to this last book of the Bible I was blessed Judi Seeders Retired from Review and Herald Publishing Association A must read for every Adventist who is looking for the soon return of Jesus You will be challenged and will understand how to be prepared for the soon appearance of our Lord and Savior *The Battle for Your Heart* is an excellent study for any individual for family worship and small group study Gail V Lane Head Deaconess Retired Business Owner I am amazed by this book Ron Busby's use of the Bible and the Spirit of Prophecy is both informative and clear *The Battle for Your Heart* takes the reader through the books of Revelation Daniel and Ezekiel along with supportive information I not only gained greater insight into the raging controversy that surrounds us today but found throughout every page God's deep everlasting love for us shining through Larry Sharon Church Elder Arnolds' Practical Sabbath-school Commentary on the International Lessons, 1905

Robinson, 1894 **Literacy and Religion** Cushla Kapitzke, 1995-08-04 This book explores the interrelation of literacy and religion as practiced by Western Christians in first historical contexts and second in one contemporary church setting Using both a case study and a Foucauldian theoretical framework the book provides a sustained analysis of the reciprocal discursive construction of literacy religiosity and identity in one Seventh day Adventist Church community of Northern Australia Critical linguistic and discourse analytic theory is used to disclose processes of theological church familial home and educational school normalisation of community members into regulated ways of hearing and speaking reading and writing being and believing Detailed analyses of spoken and written texts taken from institutional and

local community settings show how textual religion is an exemplary technology of the self a politics constituted by canonical texts interpretive norms textual practices ritualised events and sociopolitical protocols that ultimately are turned in upon the self The purpose of these analyses is to show how across denominational difference in belief tradition and practice particular versions of self and society are constructed through economies of truth from text that constrain what can and cannot be articulated and enacted by believers *Herald and Presbyter* ,1908 **Half Hours with the Lessons of 1883-** ,1882
