Changing for the better

Before using the device for the first time or the battery is not enough a long time you must first to charge the battery. In the state of the ground or in all phone states that show the battery cover when you charge the battery.

Only use the company's existing changes, history and data tables using the changes or data table without permission of using the battery capacitor or old storage for equipment in the condition of changing, all right drive outflow for all right drive power's expansion that the battery has been completed (that the battery insufficient) is a great and there is a warning message.

(When the power is broken, the driver will find drive outflow rate.)
