The Boys and Girls Learn Differently Action Guide for Teachers Michael Gurian,Arlette C. Ballew,2003-03-17 The landmark book Boys and Girls Learn Differently outlines the brain based educational theories and techniques that can be used to transform classrooms and help children learn better Now The Boys

and Girls Learn Differently Action Guide for Teachers presents experiential learning techniques that teachers can use to create an environment and enriched curriculum that take into account the needs of the developing child's brain and allows both boys and girls to gain maximum learning opportunities. This important and easy to use guide is based on the latest scientific scholarship on the differences between boys' and girls' brains: neurological development, hormonal effects, behavior, and learning needs, and offers information on what all children need to be able to learn effectively. Michael Gurian and his colleagues applied these recent discoveries in the field during a two-year Gurian Institute pilot program in Missouri that led to measurably better academic performance and improved behavior.
