Whose Time Is It, Anyway? Chet Morelli, 2007-05-11 In the non fictional essay Whose Time Is It Anyway a Christian man gives you his introspective view of the past present and future and how time plays an immense role in how history is written Author Chet Morelli encourages you to think about and ask yourself many questions as he shares his research on our human ancestors and the resulting inquiries he has discovered in the process Such questions include what happens when we die and has the human race been on Earth for millions of years or just a few thousand He not only looks into the past but also the present as he explores whether our fast paced society may have caused our government leaders to make the wrong choices He also takes an in depth look into the mind of today s man Morelli touches on the future as he contemplates the possibility of World War III and what role the three largest religions may play in deciding the important historical events of the coming years Whose Time Is it Anyway will help you reflect on our human experience and how time relates to the questions where have we been where are we now and where are we going Only time will tell **Reconstructing Prayer** Andrew Ray Williams, 2023-04-28 In the West many Christians are deconstructing and or doubting their faith As a result some people seeking to follow Jesus have become disillusioned with prayer perhaps even skeptical about it And yet there is still a great desire and longing for connection with God What is needed then is a reconstructed account of prayer one that is theologically robust pastorally honest and spiritually wise Andrew Ray Williams seeks to provide such an account by providing meditations on childlike prayers in hopes that it might open new ways of understanding specific issues related to Christian faith Called to Forgive Anthony B. Thompson, Denise George, 2019-06-04 While the murder of his wife devastated Anthony Thompson he and three other relatives of victims chose to privately and publicly forgive the shooter Years later the church and community still struggle to understand the family members deliberate choice to forgive the racist murderer But as Charlestonians have witnessed these incredible acts of forgiveness something significant has happened to the community black and white leaders and residents have united coming together peaceably and even showing acts of selfless love This book is the account of Anthony s wife s murder the grief he experienced and how and why he made the radical choice to forgive the killer But beyond that Anthony goes on to teach what forgiveness can and should look like in each of our lives both personally in our communities and even in our nation After much pain reflection and study Thompson shares how true biblical love and mercy differ from the way these ideas are reflected in our culture Be inspired by this remarkable story and discover how the difficult decision to forgive can become the key to radical change *Effective Intercultural Evangelism* W. Jay Moon, W. Bud Simon, 2021-08-24 We live in a multicultural society but many Christians hesitate to engage those of other faiths about Christianity Exploring evangelism from the perspective of four major worldviews Jay Moon and Bud Simon unpack the intercultural dynamics at hand when sharing the gospel across cultures offering contextual evangelism approaches that are relevant biblical and practical Solomon Day by Day C. Waltke,Ivan D. V. De Silva,2021-03-23 An abridged and revised version of Bruce Waltke s magisterial two volume NICOT commentary on the book of Proverbs Since 2004 Bruce Waltke s magisterial two volume NICOT commentary on the book of Proverbs has been recognized as a definitive exegesis of the Hebrew text groundbreaking in its illuminating analysis that the authors and redactors of Proverbs had organized their material into discernible clusters and groupings Waltke and Ivan De Silva here offer an abridged and revised version of the preeminent commentary which is more accessible to students pastors and Bible readers in general In place of a technical analysis of the Hebrew text Waltke and De Silva interpret the translated text while also including their own theological reflections and personal anecdotes where appropriate A topical index is added to help expositors with a book that is difficult to preach or teach verse by verse At its heart this shorter commentary on Proverbs preserves the exegetical depth erudition and poetic insight of Waltke s original and maintains the core conviction that the ancient wisdom of Proverbs holds profound ongoing relevance for Christian faith and life today Parents Matter Regina M. Mistretta,2016-09-08 Parents are social factors in children s lives that can positively influence math achievement and one does not need a degree in math to provide support What one needs is a guidebook filled with good questions to pose tips for supporting math thinking and general attitudes about math and an insider s view into what math teaching and learning looks like in today s classrooms This book serves as that guidebook and its author invites parents to use it while making sense of math with children Parents and children are encouraged to share and celebrate multiple ways of solving math examples rather than debate over the better approach Chapter 1 includes a description about how and why math teaching has changed through the years The big math ideas taught through the grades are outlined in Chapter 2 Chapters 3 through 5 offer detailed descriptions about how big math ideas develop in Grades Kindergarten through 2 3 through 5 and 6 through 8 respectively In conclusion Chapter 6 offers tasks that provide additional entry points for engaging in conversation about math at home Called Tabitha Deller,2018-10-19 Called is not about chasing It s about following It s not about going It s about staying It s not about us It s about Him It s not a how to It s a who through It doesn t say I can do this It says He ll get me through this It s not about shining bright It s about reflecting His light It s not about aiming to please It s about pleasing
