Individual Creativity in the Workplace Roni Reiter-Palmon, Victoria L. Kennel, James C. Kaufman, 2018-08-07 Rapid technological change global competition and economic uncertainty have all contributed to organizations seeking to improve creativity and innovation Researchers and businesses want to know what factors facilitate or inhibit creativity in a variety of organizational settings Individual Creativity in the Workplace identifies those factors including what motivational and cognitive factors influence individual creativity as well as the contextual factors that impact creativity such as teams and leadership The book takes research findings out of the lab and provides examples of these findings put to use in real world organizations Identifies factors facilitating or inhibiting creativity in organizational settings Summarizes research on creativity cognition and motivation Provides real world examples of these factors operating in organizations today Highlights creative thought processes and how to encourage them Outlines management styles and leadership to encourage creativity Explores how to encourage individual creativity in team contexts **The Eastern Fleet and the Indian Ocean, 1942-1944** Charles Stephenson, 2022-04-06 A study of the British Royal Navy's activities in the Indian Ocean during World War II led by Admiral Sir James Somerville The story of the British Eastern Fleet which operated in the Indian Ocean against Japan has rarely been told Although it was the largest fleet deployed by the Royal Navy prior to 1945 and played a vital part in the theatre it was sent to protect it has no place in the popular consciousness of the naval history of the Second World War So Charles Stephenson's deeply researched and absorbing narrative gives this forgotten fleet the recognition it deserves British pre war naval planning for the Far East is part of the story as is the disastrous loss of the battleship Prince of Wales and battlecruiser Repulse in 1941 but the body of the book focuses on the new fleet commanded by Admiral Sir James Somerville and its operations against the Japanese navy and aircraft as well as Japanese and German submarines Later in the war once the fleet had been reinforced with an American aircraft carrier it was strong enough to take more aggressive actions against the Japanese and these are described in vivid detail Charles Stephenson's authoritative study should appeal to readers who have a special interest in the war with Japan in naval history more generally and Royal Navy in particular Praise for The Eastern Fleet and the Indian Ocean 1942 1944 This meticulously researched outstandingly clear well written and absorbing account is long overdue and will most likely become a standard work The text is most helpfully supported by over 80 pages of detailed end notes referenced to each chapter and a detailed index This is not only a book for naval historians but also for anyone with an interest in the War in the Indian Ocean region Highly recommended Military Historical Society I enjoyed this book it gives us an account of an often neglected part of the war at sea and of the achievements of Admiral Somerville who kept his fleet intact in the face of a potentially overwhelming opponent then was willing to acknowledge that his fleet needed to improve massively before it could take on the Japanese Dr John Rickard author and webmaster of the Military History Encyclopedia on the Web **Military, Politics and Democratization in Southern Africa** Tendai Chari, Patrick

Dzimiri,2023-08-10 This book explores multiple challenges faced by democratization in Southern Africa Applying a wider lens to the concept of political transition and employing a variety of theoretical and methodological approaches the contributions gathered here explore residual political cultural practices that hinder democratic consolidation in Southern Africa Presenting various case studies the book tackles themes such as the military political nexus leadership renewal constitutionalism electoral politics election violence marginalization of women civil society and political transition media framing and transitional justice Written from a multidisciplinary perspective and drawing on empirical data from multiple sources this edited volume challenges orthodox conceptualizations of political transition The book will be of interest to students and scholars of political science African studies and related fields as well as policy makers and professionals interested in the latest political developments in Southern Africa *The British Army Reference for Ulysses* Scholars Peter L.

Fishback,2020-11-11 This is the first volume of a two volume work entitled *The British Army on Bloomsday* It contains a history of the British Army through 1904 with an emphasis on Ireland and Irish history Includes extensive detailed material on commissioned and enlisted life during the Late Victorian Era especially for Irish soldiers the Irish Militia the armies of the British East India Company and a description of the British Army of 1904 The book s subject matter is viewed through the lens of James Joyce s *Ulysses* with multiple references to material in the novel The book gives the serious *Ulysses* reader full background information on the military events and characters that appear throughout Joyce s groundbreaking and most popular novel While this volume focuses on the British Army the second volume *The British Army in Ulysses* narrows in on the novel The chapters on Molly Bloom and her father Major Tweedy present new findings that will likely provoke controversy among Joyceans Related Website www.majortweedy.com **Professional Journal of the United States Army**

,2016-07 **South Africa and United Nations Peacekeeping Offensive Operations** Garcia, Antonio,2018-08-16 The creation of the Force Intervention Brigade FIB as the sharp tactical edge of the United Nations Stabilisation Mission in the Democratic Republic of the Congo MONUSCO tasked with the neutralising of armed groups was a watershed moment in the history of modern peace missions What was more significant was that sub Saharan national leaders were instrumental in the creation of the FIB South Africa Tanzania and Malawi but lacked the resources to deploy such a force and consequently the brigade was deployed under the banner of the UN With the legacy of an African Renaissance and its role in the conception of the FIB South Africa remains a critical player in international peace and security in sub Saharan Africa and therefore holds a key strategic role in achieving the FIB s objectives This comes at a critical time where blue helmets are increasingly exposed to complex and challenging security contexts The aim of this work is to provide a conceptual model for South African military future operations and UN offensive peacekeeping operations In this undertaking a layer of military and Clausewitzian theory is added to offensive peacekeeping operations Furthermore there are sections on operational constructs capstone and operating concepts doctrine and structural elements as well a section on mine action This book contributes towards an

understanding of the nature of modern strategy through the lens of UN offensive peacekeeping operations and provides insights into operational challenges **Military Review**, 2016 Contemporary Issues in South African Military Psychology Nicole Dodd, Petrus C. Bester, Justin van der Merwe, 2020-05-13 Contemporary Issues in South African Military Psychology is a well timed extremely thought provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields specifically in the military field and context This is specifically of importance as military psychology is a behavioural science that combines theory and practical application Prof Karel Stanz University of Pretoria **Defence Diplomacy and National Security Strategy** Ian Liebenberg, Dirk Kruijt, Shrikant Paranjpe, 2020-04-20 The post cold war era presented security challenges that at one level are a continuation of the cold war era at another level these phenomena manifested in new forms Whether the issues of economics and trade transfer of technologies challenges of intervention or humanitarian crisis the countries of the South previously pejoratively labelled Third World or developing countries have continued to address these challenges within the framework of their capabilities and concerns The volume explores defence diplomacies national security challenges and strategies dynamics of diplomatic manoeuvres and strategic resource management of Latin American southern African and Asian countries Moral Injury and Nonviolent Resistance Alice Lynd, Staughton Lynd, 2017-05-01 When ordinary people have done seen or failed to prevent something that betrays their deeply held sense of right and wrong it may shake their moral foundation They may feel that what they did was unforgivable In this thoughtful book culled from a wide range of experiences Alice and Staughton Lynd introduce readers to what modern clinicians philosophers and theologians have attempted to describe as moral injury Moral injury if not overcome can lead to an individual giving up turning to drugs alcohol or suicide But moral injury can also demand that one turn one s life around It offers hope because it indicates resistance to the use of violence that offends a sense of decency Within the military and in prisons institutions created to use force and violence against perceived enemies there have arisen new forms of saying No to violence From combat veterans of America s foreign wars to Israeli refuseniks and from hardened criminals in supermax confinement in Ohio to hunger strikers in California s Pelican Bay prison the Lynds give us the voices of those breaking the cycle of violence with courageous acts of nonviolent resistance As we become more awake to the horrors that we as a society have done or failed to prevent and when we become aware of what conscience demands of us in the face of recognizable violations of fundamental human rights we may take heart from the exemplary actions by individuals and groups of individuals described in this book ECCWS 2019 18th European Conference on Cyber Warfare and Security Tiago Cruz , Paulo Simoes, 2019-07-04 Franks and Northmen Daniel Melleno, 2024-06-03 Franks and Northmen explores the full spectrum of Franco Scandinavian interaction examining not just violence but also less well known relationships centered on acts of diplomacy commerce and mission and demonstrating the transformative nature of cross cultural encounter during the Viking Age In the year 777 the Frankish

sources mention the Northmen better known to most as the Vikings for the first time By the tenth century these Northmen once a mysterious people on the borders of the Carolingian Empire would be a familiar presence in the Frankish world As raiders and pillagers the Vikings would fill the pages of Frankish authors leaving a legacy that continues to fascinate even to the twenty first century But a closer look at sources both textual and material reveals that the relationships between Franks and Northmen were far more complex and multifaceted than a rigid focus on Viking violence might suggest Merchants carried goods across the North Sea missionaries encouraged new ways of understanding the world and Franks and Northmen formed relationships and bonds even amidst conflict and violence This study is a useful resource for both students and specialists of central and northern Europe in the early medieval period

Historical Dictionary of Lesotho John Aerni-Flessner, Charles Fogelman, Nthabiseng Mokoena-Mokhali, 2023-11-30 Lesotho's history has long been defined by its enclave status within South Africa but it is a hard fought and hard won status that helps unite Basotho through the shared history of struggle against colonial rule in the region Since the end of apartheid in 1994 Lesotho's status as a separate entity has been called into question though the fierce national pride built through centuries of resistance to outside rule has mitigated against any serious discussions of incorporating Lesotho into South Africa Still the political instability and lack of a flourishing domestic economy have made life difficult for the majority of Basotho and could call into question the viability and legitimacy of the state in the eyes of its citizens if it cannot enact significant reforms in the coming decades

Historical Dictionary of Lesotho Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Lesotho

African Peace Militaries David Francis,2017-08-16 This book provides a critical understanding of the emerging role of African militaries in peacetime democratic Africa This book departs from the dominant perspective which simply presents the military as an enemy of democracy because of the history and legacy of unending military coup d tats and interventions in civilian politics In the context of Africa the military has been blamed or largely held responsible for instigating wars armed conflicts political violence poverty and underdevelopment due to bad governance and mismanagement of the state Drawing from diverse case studies across Africa including Nigeria Rwanda Uganda Ethiopia and Egypt this volume presents the argument that though the military has played a negative and sometimes destructive role in undermining constitutional rule and the overthrow of democratic civilian governments the same military now operating in a changed global environment is making effort to support the development of democracy and democratic consolidation as well as remain subjected to civilian democratic oversight and control Notwithstanding the real challenge for this emerging trend of African peace militaries is the extent to which they are able to fulfil on a predictable and consistent basis their constitutional mandate to defend the people against elected autocrats in Africa who try to use the military to perpetuate themselves in power This work fills a critical gap in the literature and will be of much interest to students of African security and politics peace and conflict studies security studies and IR in general

Non-Binding Norms in International Humanitarian Law Emily Crawford,2021-12-23 This monograph examines and analyses the phenomenon of non binding instruments also known as soft law in the law of armed conflict or international humanitarian law In the past 30 years there have been several non binding instruments created designed as either best practice guidelines or re statements of applicable law These instruments are not treaties but they nevertheless put themselves forward as authoritative statements of what the law is and in some instances what the law should be Soft law instruments can be dynamic prompt and responsive measures to address pressing issues in armed conflicts By drawing on the skill of a small group of experts these instruments can be debated and drafted in a timelier manner than if these issues were to be left to the international community of 194 States to resolve Furthermore because these instruments do not have to be sent for debate to an international conference of States it means that the provisions are not subject to the usual revisions reservations and dilutions that come with attempting to reach consensus However there are potential and actual problems with these instruments and the processes that bring them to fruition and how they are received in practice by States and other stakeholders This volume looks at the benefits and

drawbacks for States and non State actors with regards to soft law whether they are effective additions to the law of armed conflict analysing the development through the lens of theories of legitimacy and legality in international law **Can You Hear My Pain Now?** Michael G. Maness, Kevaghn Mattis, 2022-05-05 Pastoral care and its theology get a gentle boost from some of the best in the business of caring for the soul When a person hurts they often look to God Several pathfinders give new light from their specialties each one speaking powerfully uniquely and artfully from decades of experience Dr Amos Yong's article on disability forwards the amazingly helpful term temporarily able bodied Greek Orthodox Dr Vasileios Thermos and Roman Catholic Dr Robert Fastiggi enlighten next to the powerful testaments of Professor Godfrey Harold on South Africa and Dr Samuel Yonas Deressa on Ethiopia Each weathered author contributes universal insights into the grace of our great God and challenges pastors throughout the Christian world to kindly consider the heart of the afflicted These finely hewn stones can be used by anyone in the ministry to sharpen their serve Mattis and Maness offer this third collection from Testamentum Imperium with a prayer that these will open new avenues of sensitivity to the hearts and souls of those in travail and aid those who are called by God to serve those in pain **The General's Goose** Robbie Robertson, 2017-08-25 His admirers said he was a charismatic leader with a dazzling smile a commoner following an ancient tradition of warrior service on behalf of an indigenous people who feared marginalisation at the hands of ungrateful immigrants One tourist pleaded with him to stage a coup in her backyard in private parties around the capital Suva infatuated women whispered coup me baby in his presence It was so easy to overlook the enormity of what he had done in planning and implementing Fiji's first military coup to be seduced by celebrity captivated by the excitement of the moment and plead its inevitability as the final eruption of long simmering indigenous discontent A generation would pass before the consequences of the actions of Fiji's strongman of 1987 Sitiveni Rabuka would be fully appreciated but by then the die had been well and truly cast The major general did not live happily ever after No nirvana followed the assertion of indigenous rights If anything misadventure became his country's most enduring contemporary trait This is Fiji's very human story *The Justice Laboratory* Kerstin Bree Carlson, 2023-03-14 Examining how international criminal law has and hasn't brought justice following war crimes in Africa Ever since World War II the United Nations and other international actors have created laws treaties and institutions to punish perpetrators of genocide war crimes and crimes against humanity These efforts have established universally recognized norms and have resulted in several high profile convictions in egregious cases But international criminal justice now seems to be a declining force its energy sapped by long delays in prosecutions lagging public attention and a globally rising authoritarianism that disregards legal niceties This book reviews five examples of international criminal justice as they have been applied across Africa where brutal civil conflicts in recent decades resulted in varying degrees of global attention and action The first three chapters examine key international mechanisms the International Criminal Court the International Criminal Tribunal for Rwanda and the hybrid tribunal established in Senegal to try state crimes committed in Chad These

chapters illustrate how the design and practice of the institutions led to similarly unexpected and unsatisfying outcomes The final two chapters examine emerging and proposed international criminal justice mechanisms One is a tribunal intended to facilitate peace in the new but war torn country of South Sudan not yet operational and unlikely to perform better than its predecessors Finally the book considers the developing human rights practice of the little studied East African Court a regional commercial court in Arusha Tanzania to show how local judicial creativity can win a role for courts in facilitating good governance Written in an accessible style this book explores the connections between politics and the doctrine of international criminal law Highlighting little known institutional examples and under discussed political situations the book contributes to a broader international understanding of African politics and international criminal justice as well as the lessons the African experiences offer for other regions

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
